Subject: City Council Meeting

SPEAKER: THOMAS LANDE

I would like the ears of the city council for a few minutes regarding an idea I have for a wall of heroes. The expense would be minimal and it would honor those citizens who have given their lives for others. My suggestion is not for firefighters or police officers but for those people whose job description does not include that kind of risk. Thank you.

Request of Thomas Lande to address Council regarding an idea for a wall of
heroes (Communication)
