Dear Mayor Katz:

I am writing this letter in support of the Downtown Clean & Safe District services on behalf of the Downtown Retail Council, which represents over 200 downtown retail businesses. Clean & Safe services are essential for downtown to continue to thrive. In addition to the cleaning and security services which are the programs' primary elements, Clean & Safe services also attract more visitors, encourage downtown living and support a healthy business climate. Downtown Clean and Safe is keeping our downtown cleaner, safer and a great place to be.

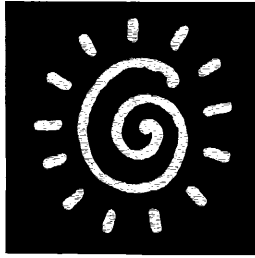

As a small business owner, I hear daily from downtown shoppers and visitors about how clean and safe our downtown streets are. They often tell me that our Guides are very friendly and helpful, that they feel safer knowing we have Patrol Officers that can respond to more serious downtown disorders, and love having clean downtown sidewalks to walk upon. Not only do Clean & Safe services provide a wonderful pedestrian environment for our customers and visitors, but it translates into more dollars spent in our downtown businesses.

I urge you to vote for the continued livability and prosperity of our City and downtown by casting your vote for renewing these Clean & Safe services that are essential for our businesses and community to thrive.

Very truly yours,

Cynthia McBurney

Mayor Vera Katz
City of Portland

Portland, OR 97204

Dear Mayor Katz:

On behalf of the over 110 office tenants and retailers in the Galleria building, I am sending you this letter in support of the Clean & Safe District services. The primary issue confronting the downtown area is its image, as a vital and particularly as a clean and safe place to be. Clean & Safe services make the critical difference: It serves to support a healthy business climate, encourages downtown living and creates a positive downtown environment.

As a property and business manager, I am in direct contact with downtown shoppers and visitors. For the past several months, I have also been working closely with the businesses in Downtown's "West End". Everyone I speak with comments positively on the important function of the Guides, Patrol Officers, and Cleaners. They also recognize that these services make for a wonderful pedestrian environment for our customers and visitors which translates directly to our bottom line.

I urge your to vote for the continued livability of our City and downtown by casting your vote for renewing these essential Clean & Safe District services so very necessary for our businesses to thrive.

Sincerely,

Anne Naito-Campbell

Mayor Vera Katz
City of Portland
1400 SW 5th Avenue
Portland, OR 97204

Dear Mayor Katz:

I am writing this letter on behalf of the businesses of the Nightlife District, which represents nearly 70 businesses in the Clean & Safe District. As the chair of the Nightlife District, I would like to express my support for the Downtown Clean & Safe District and call upon you to renew this district from 1997 to 2000.

Since 1988, Clean & Safe services have helped create a clean, safe and inviting destination for shoppers, visitors and businesses. The Nightlife District, in particular, has been the beneficiary of staff support provided by Clean & Safe District funding. The support provided for by Clean & Safe has allowed the Nightlife District to undertake special cooperative events, marketing efforts and design projects. Equally important, Nightlife District businesses benefit because Portland Guides, Patrol Officers and cleaners work within the district to keep it clean, safe and inviting.

I recommend that you renew the Clean and Safe District and request your affirmative vote.

Sincerely,

John Plew, Chair
Old Town Nightlife District

Dear Mayor Katz:

I am writing on behalf of the Cultural District Association in support of the Downtown Clean & Safe District. Clean & Safe services are essential to the continued viability of the Cultural District. In addition to the cleaning and security services which are the programs' primary elements, Clean & Safe services have also played a major role in attracting visitors and retaining businesses in our District and have been a major partner in our efforts to maintain a safe South Park Blocks environment. Downtown Clean and Safe is also helping to establish our area as Portland's premier district for arts and cultural activities.

I urge you to vote for the continuation of the Clean & Safe District. Your vote to continue this essential service is a vote for the prosperity of the Cultural District and Portland.
