7. BACKGROUND/ANALYSIS

This claim resulted from incorrectly identified sewer line locates in November 2009. Foundation Engineering properly requested utility locates from the Portland Bureau of Transportation prior to underground drilling work at N. Expo Road. Because the locates were off, a sewer line was broken, resulting in additional time and labor costs for Foundation Engineering and their subcontractors. Upon investigation, the City agrees that we were at fault. Therefore, Risk Management recommends paying the claim submitted without additional legal action.

8. FINANCIAL IMPACT

Approval of the settlement would result in a payment of \$12,385.82 from the liability fund.

9. RECOMMENDATION/ACTION REQUESTED

Submit the attached Ordinance for approval by City Council as an emergency ordinance on the Consent agenda.
