

ORDINANCE NO. 183690

Amend contract with Analytical Services, Inc. to increase compensation for laboratory services for Cryptosporidium Analysis (Ordinance; amend Contract No. 30000364)

The City of Portland ordains:

Section 1. The Council finds:

1. The City of Portland Water Bureau entered into a contract with Analytical Services, Inc. to work with City staff to design a sampling plan and perform the associated sample analysis in order to obtain a variance to the treatment requirements of the Long Term 2 Enhanced Surface Water Treatment Rule (LT2).
2. Further analysis of source water monitoring beyond the initial scope of the contract as written for the LT2 variance sampling is required to modify the analytical method, sample at "hot spot" locations in the watershed, and adapt the pathogen model as required by the Environmental Protection Agency in response to the submitted sampling plan.
3. The contract will be amended to increase funding by \$575,000. The new contract total will be \$825,000. Funding is available in the FY 2009-10 Budget and additional funding will be requested in the FY 2010-11 Budget.

NOW, THEREFORE, the Council directs:

- a. That the Commissioner-in-Charge and Auditor are authorized to execute on behalf of the City an amendment to Contract No. 30000364 with Analytical Services, Inc. as outlined in a form substantially in accordance with the contract amendment attached as Attachment 1, at a cost not to exceed \$575,000.
- b. The Mayor and Auditor are hereby authorized to draw and deliver checks chargeable to the Water Fund when demand is presented and approved by the proper authorities.
