

**As used in Figure 6 the following terms have the meanings described below:**

“Excess distance” is applicable to any collection beyond seventy-five (75) feet from the curb. This charge is in addition to the “non-curb surcharge”.

“Clean up containers” include hauler-provided containers which are provided as requested by the customer for occasional or temporary use.

“Multifamily” means any multidwelling building or a combination of buildings on a single tax lot in the residential franchise territory that contain 2-4 dwelling units.

“Non-curb surcharge” is the charge for collection service provided at a location more distant than curbside.

“Terrain differential” is applicable to services within the territory designated on Figure 6-1.
