

ORDINANCE No. 184081

*Accept a \$36,120 grant from the Oregon Department of Transportation to perform traffic control and consultation and authorize an Intergovernmental Agreement for the disbursement of federal funds for the Marquam Bridge Paving Preservation project (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. The Marquam Bridge is a part of the state highway system under the jurisdiction and control of the Oregon Transportation Commission (OTC). The State has a preservation project on the portion of Marquam Bridge from Interstate I-5 to NE Holladay St to restore the quality of the overlay of the existing continuously reinforced concrete pavement. The surface is old and has carried traffic volumes in excess of its design life expectancy. During the paving of this section of freeway Oregon Department of Transportation (ODOT) will close the freeway for four weekends. Due to the high volumes of traffic use for this portion of Highway, ODOT and the Portland Bureau of Transportation (PBOT) are working to mitigate disruption of traffic flow detoured on and off the Marquam Bridge.
2. ODOT will contribute a total of \$36,120.00 for PBOT to provide traffic control and consultation during the freeway closure and detour on City streets.
3. The Bureau's level of confidence in the cost estimates for this project is moderate. The project scope and specifications nearly complete but still subject to change.

NOW, THEREFORE, the Council directs:

- a. The Mayor is hereby authorize to accept on behalf of the City of Portland a grant from ODOT for the Marquam Bridge Paving Preservation project in the amount of \$36,120.00 and to authorize an intergovernmental agreement with ODOT for disbursement of funds, in a form substantially in accordance with the exhibit attached for this purpose.
- b. The FY 2010-2011 budget is hereby amended as follows:

GRANTS FUND

Fund: 217

Business Area – TR00

Bureau Program Expenses – 511300 - \$30,000

532000 - \$6,120

- c. The OMF Grants Office is authorize to perform all administrative matters in relation to the grant application, grant agreement or amendments, requests for reimbursement from the grantor, and to submit required online grant documents on the Mayor's behalf.

Section 2. The Council declares that an emergency exists because a delay would unnecessarily delay the City's ability to perform the activities authorized by the grant; therefore, this Ordinance shall be in full force and effect from and after its passage by the Council.
