

ORDINANCE No. 184109

Assess property for sidewalk repair by the Bureau of Maintenance (Hearing; Ordinance; Y1072)

The City of Portland ordains:

Section 1. The Council finds:

1. In accordance with Chapter 17.28 of the Code of the City of Portland, the Bureau of Maintenance notified the property owner of record at the time of inspection, of the properties described in Exhibit A, to repair or construct the sidewalks, curbs and/or driveways abutting the property.
2. The required repair or construction of the sidewalks, curbs and/or driveways was not done within the allotted time. The Bureau of Maintenance did the necessary work, and kept an accurate account of the cost of the labor and materials used in doing the work. The City Engineer reported to the Auditor the cost of the repairs and the legal description of the property on which the work was done.
3. On **September 1, 2010**, the City Council conducted a public hearing to consider assessment of the charges that benefited the properties described in Exhibit A. The Council has approved the statement of bills for the work done, and the property should be assessed the full cost of the work plus a fee for administrative expenses.

NOW, THEREFORE, the Council directs:

- a. The cost of doing said repair or construction work plus a fee for administrative expenses is hereby assessed upon the property, in the amount of **\$12,851.64**, as described in Exhibit A (attached to original Ordinance only).
- b. The City Auditor is hereby directed to record these assessments into the Docket of City Liens, and to mail final assessment notices to the properties, as described in Exhibit A.
