The Performing Agency and the Funding Agency recognize that events and conditions may arise that significantly impact the Project. A "significant" impact is one that may require expenditure of the Funding Agency controlled contingency, increase the budget beyond the total authorized budget amount shown in the Scope of Work and Budget, or delay completion of this phase of the Project more than one year. 3. Regardless of ownership of the Work Product, both parties shall have reasonable access to the Work Product.

G. Delivery / Maintenance of Records. The Performing Agency shall maintain records on a current basis to support its billings to the Funding Agency.
