

**INTERGOVERNMENTAL AGREEMENT  
BUCKMAN FIELD PROJECT**

This agreement is entered into by and between the City of Portland, by and through Portland Parks & Recreation ("City") and School District No. 1J, Multnomah County, Oregon, doing business as Portland Public Schools ("District") ("Agreement") pursuant to ORS Chapter 190 (Intergovernmental Cooperation).

**RECITALS**

A. The City owns and maintains Buckman Field at NE 12th and NE Everett Street, Portland, Oregon. Buckman Field is developed with several active use sports fields, among other recreational amenities.

B. Buckman Field is adjacent to Benson Polytechnic High School ("Benson"), operated by the District. Benson does not have its own playing fields. Pursuant to a long-standing use agreement with the City, the District is granted the use of Buckman Field during the school day and certain periods of day and evening for use (See Exhibit A) by Benson athletic programs. Other Portland Interscholastic League ("PIL") proposed uses will be reviewed and resolved by the District and the City Joint Management Committee established for this purpose. Accommodation of PIL field needs is and will remain a priority of PP&R facilities.

C. The City has entered into a contract to improve Buckman Field by developing a current single grass field into two synthetic fields (the "Project"), which will enable the fields to be used year-round by both the City and the District.

D. Because of the joint use of these new facilities, the City requested that the District participate in the cost of the Project. The total cost of the Project is approximately \$2.1 million. Pursuant to the City's request, the District allocated \$255,501.25 to the Project as part of its Great Fields Improvement and Financing Plan, subject to approval by the District's Board of Education.

E. The parties find that joint participation in the cost of the Project will accomplish both parties' public recreational and/or educational needs in the most cost-effective manner for taxpayers of both the City and the District.

**AGREEMENT**

1. The District agrees to pay \$255,501.25 to the City for construction of the Project. The Board of Education hereby authorizes the superintendent to make payment to the City upon execution of this Agreement.

2. The City agrees to:

a. Use the District's funds to pay for construction of the Project;

- b. Ensure its partners pay the remainder of the cost of the Project;
  - c. Ensure that its contractor successfully completes the Project; and
  - d. Ensure that its contractor and any subcontractors comply with any Public Contracting Code or other legal requirements applicable to the Project.
3. The parties agree to continued collaboration regarding the use and development of Buckman Field.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement this \_\_\_\_\_ day of \_\_\_\_\_, 2010.

**DISTRICT**

School District No. 1J, Multnomah County,  
Oregon, an Oregon school district
