

ORDINANCE No. 184 7 3 6

*Approve Intergovernmental Agreement with the East Multnomah Soil and Water Conservation District through their Partners in Conservation Program for the Greenspaces Restoration and Urban Naturalist Team job training program for teens (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. The Greenspaces Restoration and Urban Naturalist Team (GRUNT) is a naturalist and job training program for teens.
2. GRUNT is a pipeline to environmental careers. Teens are recruited from schools in diverse neighborhoods with 75% or greater free and reduced lunch participation.
2. The City benefits economically, culturally and environmentally from this program. Teen participants learn about the plants, wildlife, watersheds and ecology of the Northwest, then earn a paycheck as they work to protect them. Participants will be actively working to protect and improve local watersheds.

NOW, THEREFORE, The Council Directs:

- a. The Mayor is hereby authorized to approve the Intergovernmental Agreement between Portland Parks & Recreation and the East Multnomah Soil & Water Conservation District (EMSWCD), which includes a contribution of \$29,595 from EMSWCD, to help fund the Greenspaces Restoration and Urban Naturalist Team (GRUNT) during the 2011 summer season.

Section 2. The Council declares that an emergency exists in order to avoid further delay in the provision of funding for the start of the GRUNT summer program; therefore, this Ordinance shall be in force and effect from and after its passage by Council.
