FINANCIAL IMPACT**4) Revenue: Will this legislation generate or reduce current or future revenue coming to the City? If so, by how much? If so, please identify the source.**

The addendum to the lease will generate gross revenues of approximately \$2,640 per year paid by the Lessee that is budgeted as part of the estimated revenue for this organizational unit.

5) Expense: What are the costs to the City related to this legislation? What is the source of funding for the expense? (Please include costs in the current fiscal year as well as costs in future years. If the action is related to a grant or contract please include the local contribution or match required. If there is a project estimate, please identify the *level of confidence*.)

There is minimal staff time for preparing and processing the addendum likely not to exceed \$1,000. These expenses are budgeted as part of this organization unit's FY 11-12 Adopted Budget. No.
