* Create a new Nonrepresented classification of State Government Relations Manager and establish a compensation rate for this classification. (Ordinance)

2) Purpose of the Proposed Legislation:

The Office of Government Relations requested creation of a State Government Relations Manager classification. The Office is modifying the duties and responsibilities of a current position to include managing the development and implementation of the state legislative agenda and supervising the Government Relations Lobbyist, the Staff Associate, and any temporary staff in the Salem office during legislative sessions. The Bureau of Human Resources (BHR) reviewed the request and determined that a new classification of State Government Relations Manager should be created to properly classify this position. BHR is recommending a Nonrepresented salary range 12 for this new classification.

Like other Government Relations classifications which are considered to be part of the Mayor's Office, this classification is exempt from the classified service. This action is requested on an emergency basis to allow immediate recruitment.

FINANCIAL IMPACT

4) <u>Revenue</u>: Will this legislation generate or reduce current or future revenue coming to the City? If so, by how much? If so, please identify the source.

Likely yes, since the position will lobby for additional resources at the state legislature; however the amount is indeterminate.

(Please include costs in the current fiscal year as well as costs in future years. If the action is related to a grant or contract please include the local contribution or match required. If there is a project estimate, please identify the level of confidence.) This action does not result in any direct costs. BHR has received a request to reclassify one Government Relations Lobbyist position to the new State Government Relations Manager classification. Currently the annual maximum rate for the position is \$100,048. The classification approved by this ordinance will have a maximum rate of \$107,557, an annual increase of \$7,509. The Office of Government Relations does not intend to make the appointment at the maximum rate and any increase associated with the appointment will be offset by salary savings in the current budget.

6) <u>Staffing Requirements:</u>

- Will any positions be created, eliminated or re-classified in the current year as a result of this legislation? (If new positions are created please include whether they will be part-time, full-time, limited term, or permanent positions. If the position is limited term please indicate the end of the term.). BHR has received a request to reclassify one Government Relations Lobbyist position to the new State Government Relations Manager classification.
