RE: CROW Administrative Rules Review – Hardship Exemptions

Mayor Adams and City Commissioners:

Margaret Weddel,
Board President

Steph Routh
Executive Director

The Willamette Pedestrian Coalition (WPC) is a non-profit organization dedicated to improving the walking environment for everyone in the region. We have been following the proposed changes to City rules relating to Containers in the Right of Way (CROW) for the past several years. Garbage containers left on the sidewalk have detracted from a pleasant pedestrian environment in many areas of the City.

We are glad to see that these rules are finally moving forward to adoption. The WPC supports speedy approval of the proposed rules.

Sincerely,

Lidwien Rahman
