1) Legislation Title:

*Grant a temporary, revocable permit to Lucid Energy, Inc. for a renewal energy project in conjunction with the Water Bureau. (Ordinance).

2) Purpose of the Proposed Legislation:

Portland Water Bureau (PWB) and Lucid Energy Inc (LEI) have negotiated a "final term sheet which describes an anticipated agreement" which will allow LEI access to PWB facilities to generate renewable electricity. PWB anticipates potentially receiving financial benefits by sharing in the proceeds from the electricity generation. The LEI project will be located on public property, and will use City renewable resources. The City is requesting a right of first refusal if the generation facility is sold. Since PWB facilities are located in the right of way and LEI will place facilities in PWB facilities, LEI needs a franchise agreement.
