RE: Extend the term of a temporary revocable permit granted to Qwest Corporation to build and operate telecommunications facilities in City streets. (Ordinance; amend Ordinance No. 175757)

Requested Placement Date: Consent Agenda on November 28, 2012

I. **RECOMMENDATION.** The Office for Community Technology recommend that Council approve the extension of Qwest Corporation continuously and without interruption to January 21, 2015.

**BACKGROUND.** On October 26, 2011, the City Council adopted non-emergency Ordinance No. 184957, amending Title 17 of the Portland City Code. Among other matters, the ordinance updated, clarified and reorganized various code sections. The City is implementing various aspects of the revised code provisions, and City staff has begun negotiating a renewal agreement, including revised standardized franchise language to address the code amendments. Although franchise negotiations for a renewal agreement are in progress, parties have not agreed on all terms. City staff recommends that the City Council extend the existing franchise to allow time for parties to complete negotiations for a new agreement and to formally complete the formal Portland City Charter procedure for proposed franchises, which can take up to four months or more from the date of the required initial publication.

II. **FINANCIAL IMPACT.** The City will continue to receive franchise fees. This revenue is intended for the general fund and is not new revenue.
