

ORDINANCE No. 186071

* Approve recommendations made by Children's Levy Allocation Committee for FY 2013/2014 grant funding (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. The City proposed and voters approved a local option property tax levy at the November 5, 2002, general election to fund programs to help children in Portland.
2. The levy created the Portland Children's Levy to make targeted investments in proven programs in the areas of early childhood development, after school and mentoring activities, and prevention of child abuse and neglect. A five person citizen Allocation Committee was created to make recommendations regarding the expenditure of levy funds.
3. The City and Multnomah County entered into an Intergovernmental Agreement to ensure that the funds received from the levy are allocated to ensure accountability and equity throughout the system.
4. In November 2008 voters approved a renewal of the local option property tax levy to continue supporting the Portland Children's Levy to make targeted investments in proven programs in early childhood, child abuse prevention and intervention, foster care, after-school and mentoring.
5. In March 2013 the Allocation Committee voted to renew all expiring competitive grants at current funding levels except four grants supporting eight SUN Community School Programs. Beginning July 1, 2013, Multnomah County has agreed to assume funding and management of the eight SUN Community School sites currently funded by the Portland Children's Levy. A summary of the funding recommendations is attached as Exhibit B to the Memorandum attached hereto.

NOW, THEREFORE, the Council directs:

- a. The funding recommendations made by the Children's Levy Allocation Committee described in the memorandum attached hereto are approved. The Commissioner of Public Affairs is authorized to enter into agreements awarding grants substantially similar to those contemplated in the Allocation Committee funding recommendations to the organization identified in the funding recommendation.

- b. In the event that any grantee becomes unwilling or unable to use City grant funds in a manner consistent with a grant agreement that is authorized by this ordinance, the Commissioner-in-charge is hereby authorized to terminate the grant agreement in accordance with its terms, and execute a new grant agreement with a different grantee provided that (1) the funding allocated for the new grant agreement is equal to the amount of unspent funds allocated by this ordinance for the terminated agreement, and (2) the scope of work stated in the new agreement is substantially the same as the scope of work in the terminated agreement.

Section 2. The Council declares that an emergency exists because a delay in approving the attached agreement would jeopardize the ability of the City to fund these vital programs in a timely manner; therefore this ordinance shall be in force and effect from and after its passage by Council.
