**1) Legislation Title:**

Approve the Managing Oregon Resources Efficiently Intergovernmental Agreement between participating Oregon public entities and the City of Portland. (Ordinance)

**2) Purpose of the Proposed Legislation:**

The purpose of the Managing Oregon Resources Efficiently Intergovernmental Agreement (MORE-IGA) is to allow for the exchange of equipment, materials or services between participating Oregon public entities.

An original joint agency IGA for shared services was originally signed by Multnomah County, the City of Gresham and Oregon Department of Transportation in 1996. By the provision of a 1999 addendum, other parties agreed to sign the agreement. The IGA was revised in July 2002 and was named the PMAT-IGA (Portland Metropolitan Area Transportation Co-operative Intergovernmental Agreement) with 33-signing agencies. The City of Portland was one of these participants. In February 2013 the MORE-IGA, with a more statewide focus, was crafted in tandem to eventually replace the PMAT-IGA.

**3) Which area(s) of the city are affected by this Council item? (Check all that apply—areas are based on formal neighborhood coalition boundaries)?**

If the action is related to a grant or contract please include the local contribution or match required. If there is a project estimate, please identify the **level of confidence**.)

Any expenses associated with the MORE-IGA would come from operating costs associated with equipment, materials or services on loan from other participating entities.
