

ORDINANCE No. 184082

*Authorize contract with KPFF Engineers, Inc. to provide design and construction services for the Division Streetscape and Street Reconstruction Project (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. City Council passed Resolution # 36797 on June 23rd, 2010 adopting the report and conceptual design for the Division Streetscape and Street Reconstruction Project.
2. On February 15, 2010, the City of Portland received proposals for professional services for engineering and construction services for the Division Streetscape and Street Reconstruction Project.
3. On March 10, 2010, after reviewing proposals received, the City of Portland Bureau of Transportation issued a Notice of Intent to Award to KPFF Engineering Inc. for the Division Streetscape and Street Reconstruction Project
4. The Bureau's level of confidence in the cost estimates for this project is low. The project will have a revised Engineer's Estimate once we enter the design phase.

NOW, THEREFORE, the Council directs:

- a. That the Commissioner-in-Charge and the Auditor are hereby authorized to enter into a contract with KPFF Engineering Inc., substantially in accordance with the amendment attached to the original of this ordinance (Exhibit A) and, by reference, made a part hereof.
- b. The Mayor and the Auditor are hereby authorized to draw and deliver checks payable to, KPFF Engineering Inc., chargeable to the Transportation Fund.

Section 2. The Council declares that an emergency exists because a delay would unnecessarily delay the City's ability to perform the required activities and start construction during the fiscal year in which the federal funds have been programmed for this project; therefore, this Ordinance shall be in full force and effect from and after its passage by the Council.
