

ORDINANCE No. 184133

*Authorize an Intergovernmental Agreement with TriMet for design and construction of transit system safety improvements (Ordinance)

The City of Portland ordains:

Section 1. The Council finds

1. Tri-County Metropolitan Transportation District of Oregon (TriMet) is currently conducting a system-wide safety review. This review is being performed by an independent safety expert, who has made certain recommendations on how TriMet can improve safety throughout its organization.
2. Certain recommendations concern making changes to bus lines throughout TriMet's system, which would require physical changes to streets and rights of ways controlled by the City.
3. TriMet has notified the City of Portland that it will fund the Transit System Safety Improvements to the Bureau of Transportation in the amount of \$50,000.
4. The Bureau of Transportation has partnered with TriMet to make safety improvements at locations on the transit system and TriMet has agreed to fund projects in the amount of \$50,000 beginning on September 1, 2010.
5. TriMet and City agree to jointly coordinate design solutions for certain transit safety improvements in the City of Portland. Such safety improvement projects may include signage for the #15 bus line on NW Thurman Street, repositioning of a sidewalk where buses turn from westbound SW Capitol Highway onto northbound Terwilliger Boulevard, and restriping traffic lanes at Collins Circle in SW Portland.
6. As some of these safety improvements are urgently sought needed by TriMet and the community, the Bureau of Transportation will begin work as soon as possible.

NOW, THEREFORE, the Council directs:

- a. The Mayor and the Auditor are hereby authorized to enter into an Intergovernmental Agreement with Tri-County Metropolitan Transportation District of Oregon for the Transit System Safety Improvements project, substantially in accordance with the form attached as Exhibit A.

- b. The FY 2010/2011 budget is hereby amended as follows:

GRANTS FUND

Fund 217

Business Area -TR00

Bureau Program Expenses - \$50,000

Section 2. The Council declares that an emergency exists because a delay would unnecessarily delay the City's ability to perform the activities authorized by the grant; therefore, this Ordinance shall be in full force and effect from and after its passage by Council.
