ORDINANCE No. 184427

*Update Procurement Code to conform to new state law and make technical corrections (Ordinance; amend Code Chapter 5.68)

The City of Portland ordains:

Section 1. The Council finds:

1. In 2003 the Oregon Legislature passed HB 2341, which repealed most of the State's purchasing statutes found in ORS 279 and adopted new chapters 279A, 279B and 279C. These changes became effective March 2005. On March 9, 2005, the City Council passed Ordinance No. 179110 that revised the City's Procurement Code to conform to these adopted state laws.
2. During the 2009 legislative session, the Oregon Legislature passed other legislation which included SB 479 making changes to state procurement laws giving Oregon agencies and local government the authority to create contracting preference opportunities for disabled veterans.
3. To incorporate previous organizational changes into PCC 5.68, all references to "Purchasing Agent" have been changed to "Chief Procurement Officer" and likewise, references to the "Bureau of Purchases" have been changed to "Procurement Services".
4. The attached Exhibit A (Chapter 5.68) details the City's revisions to its Code to take into account the newly enacted laws and technical corrections.
5. The attached Exhibit B outlines the substantive proposed rule changes.

NOW, THEREFORE, the Council directs:

- a. Code Chapter 5.68, Professional, Technical and Expert Services, is hereby replaced with the attached Exhibit A.

Section 2. The Council declares that an emergency exists because these corrections will bring the City's Procurement Code into conformance with current law, prevent further confusion, add clarity to the City Procurement Code for both outside vendors and City staff, and make sure that provisions adopted by the State that are directed to state agencies are not inadvertently applied to the City; therefore, this ordinance shall be in force and effect from and after its passage by the Council.
