

ORDINANCE NO. 184845

\*Authorize a grant agreement with Outside In in an amount not to exceed \$65,000 to operate the Injection Drug Users Health Services Program. (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. Outside In operates an Injection Drug Users Health Services Program (IDU-HSP) whose objective is to decrease the number of new HIV and HEP C infections among injection drug users in the program, including the removal of used syringes from circulation.
2. The Syringe Exchange Program, one component of the IDU-HSP, specifically targets those who need sterile injection equipment, including syringes, bleach, water, and other safer injections supplies.
3. In January 2006, IDU HS added a treatment readiness service that includes a weekly group, individual counseling and treatment referral on demand.
4. The City Council has authorized \$65,000 in the FY2011-12 Special Appropriations Adopted Budget for the Injection Drug Users Health Services Program.
5. The City of Portland and Outside In now desire to enter into a grant agreement in a sum not to exceed \$65,000.

NOW, THEREFORE, the Council directs:

- a. That the Mayor and Auditor are authorized to execute a grant agreement in an amount not to exceed \$65,000 in one-time funds with Outside In -- substantially in conformance with the agreement attached as Exhibit A to the original of this ordinance.
- b. The Mayor and Auditor are hereby authorized to draw and deliver warrants chargeable to the General Fund Special Appropriation when demand is presented and approved by the proper authority.

Section 2. The Council declares that an emergency exists because delay in funding would interrupt Outside In's ability to provide Injection Drug Users Health Services. Therefore this ordinance shall be in full force and effect from and after its passage by the Council.
