2. The Portland Housing Bureau (PHB) is committed to working collaboratively with MCHD to address the connection between health and housing and its impacts low-income households.
3. PHB is providing resources in the amount of \$65,000 in Community Development Block Grant and Portland HUD Healthy Homes funds to MCHD to increase their ability to provide these services and develop technology applications that support PHB program and policy objectives around tracking Healthy Homes data.

NOW THEREFORE, the Council directs that:

- a. The Bureau Director and City Auditor are hereby authorized to execute agreements with the County in the amounts described above in accordance with the intergovernmental agreement attached as Exhibit A.
