

Report on Transportation Sponsorships and Donations 2011

City Code stipulates that any donation, gift, grant, lease or loan exceeding \$250 shall first be approved by City Council. Passed by the Council in 2005, Ordinance 179806 authorized the PBOT Director to execute agreements accepting sponsorships, donations, contributions and cost-sharing agreements for transportation programs, in a form acceptable to the City Attorney, and in amounts not to exceed \$150,000. Passed by Council in 2009, Ordinance 182573 authorized the PBOT Director to accept and acknowledge individual sponsorships, donations, and contributions for Sunday Parkways projects in amounts not to exceed \$10,000 per individual per year.

Both ordinances also direct PBOT to report annually to the City Council on the numbers, types and dollar value of sponsorships, donations, contributions and cost-sharing agreements that have been executed.

In 2011, PBOT received a total of \$309,272.20 in donations (in kind and cash). The majority of these donations were received by the Transportation Options Division for the promotion and support of Sunday Parkways. The Options Division also received donations for the SmartTrips and Safe Routes to Schools programs and for the Bicycle Commute Challenge. These donations have helped foster relationships and partnerships between the City of Portland, local area and national businesses, community organizations, and citizens.
