Hello Connie,

There are 5 Communications slots available each Wednesday and each person has three minutes to address the Council. City Code requires individuals to submit their own request but we do allow teachers or school staff to sign up students. I will use this email to confirm Teresa and the student, Aurelio Leonardo. Will they be sharing three minutes or should I sign them up individually?

The Mayor (or Presiding Officer) does not usually allow others to speak who are not listed under the Communication and he does not allow individuals to go over their three minutes. Superintendent Baldwin is allowed to acknowledge persons who came with her within her three minutes.

Regards,
Karla

Good Afternoon, Karla!

Superintendent Baldwin asked me to respond on her behalf.

You indicate in your message that all April slots are currently available for communications to the Council and that the Parks Budget is scheduled for April 5.

That being the case, Superintendent Baldwin, CMS Principal Doug Cook, CMS SUN Coordinator, Gina Richardson, and a former SUN student, Aurelio Leonardo, would like to attend the Council meeting on **Wednesday, April 4, at 9:30am** in support of the SUN Schools program. Superintendent Baldwin and Aurelio Leonardo will be the only two providing formal testimony, however, Superintendent Baldwin will introduce Principal Doug Cook and SUN Coordinator Gina Richardson.

Please confirm that this will work with the Council's schedule. Thank you!

Connie

Hi Teresa,

The first Budget meetings are forums on March 5th and 21st. Nine work sessions are scheduled for the first two weeks in April (Parks Budget is scheduled for April 5th). The Mayor will transit his proposed Budget Message on May 16th, and Council will approve a budget on May 30th, and adopt the Budget on June 21st.

Communications are scheduled for Wednesday mornings at 9:30 a.m. I have openings on February 29th, and every Wednesday in March. On March 14 and 21, Commissioner Saltzman will be absent and on March 28, Commissioner Fish will be absent. All Communications slots in April are available and currently, all members of Council are expected to be in attendance.

Let me know what date will work for you.

Regards,
Karla

Karla,

Centennial School District would like to submit formal testimony to the Council on behalf of retaining funding for the SUN program which has been identified as a reduction from the Parks budget.

I would like to schedule a communication time on an upcoming Council agenda, prior to the Council's action on the Parks budget. Would you please recommend a date when Centennial could be scheduled for communication?

Thank you.
