i wish to speak on march 31 at 9:30 am

i wish to speak on whether it is legal for a portland cop to write a traffic ticket

for a car when the name of the person the car is registered to and titled to is another person.

and not the person he wrote the ticket to and it was for something to do with the vehicle.

dmv say's it's not legal.

and i would like to also say that tri met say's it's drivers don't have to wait for you when you are walking up to the bus and 5 feet away from boarding which sounds so ridiculous to me also.why are people pushing me so much with everything why can't i be left alone.

i don't think that other people get treated like that very often im very suspicious of all of this.

my name is jeremy wilson
