**ORDINANCE No.**

**\*Authorize a surcharge to the Central Eastside Industrial District Area Parking Permit Program (Ordinance)**

The City of Portland ordains:

Section 1. The Council finds:

1. On June 21, 2012, City Council approved Resolution No. 36938 adopting the Central Eastside Parking Management Plan (CEPMP). The plan included recommendations to expand the Area Parking Permit Program (APPP) area to include the entire Central Eastside Industrial District (CEID).
2. The CEPMP recommends that a Central Eastside Transportation and Parking Management Association (TPMA) be established. The CEPMP also recommends that a surcharge to the base cost of the APPP permit be used for the purpose of raising revenue to support TPMA services and programs.
3. On January, 22, 2013, the Central Eastside Industrial Council (CEIC), a non-profit organization responsible for representing businesses and property owners residing in the Central Eastside Industrial District (CEID), approved the By-Laws establishing the Central Eastside Transportation and Parking Advisory Committee (TPAC).
4. The TPAC is intended to function in a manner similar to a TPMA as described in the Central Eastside Parking Management Plan.
5. In December, 2012, the CEIC authorized formation of the TPAC and requested that PBOT authorize a surcharge to the annual APPP fee to help fund the services and programs of the committee.

NOW THEREFORE, the Council directs:

- a. That the Commissioner-in-Charge of Transportation and the Transportation Director are hereby authorized to impose an additional surcharge to the base cost of the APPP permit for the sole purpose of raising revenue to support TPAC services and programs.
- b. That the Transportation Director is hereby authorized to revise the surcharge fee on an annual basis upon the recommendation of the TPAC.
- c. That the Transportation Director is hereby authorized to enter into an annual Memorandum of Understanding (MOU) with the TPAC describing transportation- and parking-related services eligible for reimbursement with revenue collected by the surcharge.

- d. That the Transportation Director is hereby authorized to reimburse the TPAC for transportation- and parking-related services, as agreed to in the MOU, for an amount up to, but not exceeding, the surcharge revenue.

Section 2. The Council declares that an emergency exists because the annual renewal date for the CEID APPP is May 1 and Transportation is delaying the renewal date to June 1 in order to collect the surcharge from permit holders who are submitting permit renewals; therefore, this Ordinance shall be in full force and effect from and after its passage by the Council.
