(Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. The Council on February 18, 2009 resolved through acceptance of Resolution No. 36682 to adopt the East Portland Action Plan to inform City Council and City bureaus in the course of decision-making related to long-term planning and capital improvement projects in the East Portland area.
2. The East Portland Action Plan (EPAP) was developed by the community for the community. Over an eight month process with the City of Portland Bureau of Planning and Sustainability, 268 Action items were identified. The result is an Action Plan which contains *Strategies* and *Actions* that provide guidance and direction to public agencies, non-profit organizations, businesses and individuals to address the opportunities and challenges facing East Portland.
3. The EPAP acknowledges community strengths and supports existing efforts, while looking strategically at opportunities to improve livability and at policies to address some of the challenges facing East Portland. The EPAP was convened for the specific task of providing "leadership and guidance to public agencies and other entities on how to strategically address community-identified issues and allocate resources to improve livability for neighborhoods in the East Portland Neighborhood Office (EPNO) coalition area."
4. Portland City Council approved an FY 2012-13 Budget that provided a \$279,692 appropriation to support East Portland Action Plan implementation.
5. Included in the budget is \$150,000 for projects and grant fund programs.
6. East Portland Action Plan recommends that \$52,600.00 of these funds be allocated to selected Civic Engagement Grant Program projects to allow community members, neighborhoods, business associations, non-profits and other groups to implement Action item 'Community Building.2.3 Develop and hold leadership and civic engagement classes/programs for East Portland citizens to build capacity for participating in lobbying,

advocacy, board participation, partnership, etc.', with a focus on culturally specific communities in language appropriate ways. The fund is administered by the Office of Neighborhood Involvement.

7. East Portland Action Plan recommends that \$47,400.00 of these funds be allocated to the selected General Grants Program to allow community members, neighborhoods, business associations, non-profits and other groups to implement Action items. The fund is administered by the Office of Neighborhood Involvement.
8. The East Portland Action Plan (EPAP) solicited proposals through web-site advertisement, print media, email distribution lists, meetings, public events, and relational organizing. Program staff organized 2 pre-submittal workshops, for each the General Grants program and Civic Engagement Grants program, to provide an opportunity for interested parties to learn about the grants programs and submittal requirements. The workshops were: located at a mobility device accessible location; held on different days - one in the morning and one in the evening; offered language interpretation at the workshop and the ability to submit proposals in the submitter's first language; and provided access to a computer and/or acknowledged the acceptance of handwritten submissions.
9. A duly designated EPAP Grants Review Committee selected the recommended projects, in accordance with stipulations that were developed through the East Portland Action Plan and articulated in each grant's application:
  - A. Civic Engagement Grant - The EPAP Civic Engagement Subcommittee, established special consideration with the following criteria: Experience with culturally specific underserved populations with language appropriate communication; Experience leading entry level civic engagement training; Experience doing community involvement with cultural specific populations with language appropriate communication; Community building project leading to more community involvement; number of people to be directly engaged; Number of people to be directly engaged; Ability to link to the existing services in the community tailored to the needs of cultural and language specific populations; Promotion of health and well-being of families, children, individuals, and communities; Involvement between multiple partners; Demonstration of matching contributions of money or time; and Past and current interim evaluations for EPAP grants.

The EPAP Grant Review Committee selected 7 proposals with the awards totaling \$52,600.00. The total list of grant projects and allocated funding is attached as Exhibit A.

12. The East Portland Action Plan and the Office of Neighborhood Involvement have evaluated the proposals and grant paperwork and determined that the grantees are qualified to provide the services requested under the grant agreements. The City has developed grant agreements attached in a form substantially in accordance with Exhibits C through U that specify the scope of the projects to be conducted by the grantee(s) and the funds to be allocated.
13. A total of \$100,000.00 of grant dollars is available in the Office of Neighborhood Involvement East Portland Action Plan FY2012-13 budget for these projects. These grants award \$100,000.00 of those funds for these competitive grant allocation processes.
