

ORDINANCE NO. **186228**

Delegate authority to the Chief of Police to execute and amend agreements in support of law enforcement training (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. The Portland Police Bureau manages, coordinates, and conducts training for all City law enforcement personnel.
2. The Portland Police Bureau's Training Division trains the City's law enforcement personnel in many locations throughout the city.
3. In support of the Police Bureau's training programs, the City enters into agreements with public and private property owners to provide suitable locations for law enforcement training.
4. Many law enforcement training agreements with public or private property owners require no City funds on the condition that the City release the property owner from liability arising out of the City's law enforcement training activities.
5. Council's delegation of authority to the Chief of Police to execute law enforcement training agreements will reduce unnecessary administrative burdens on the City and provide the Police Bureau with greater flexibility to find suitable locations for law enforcement training activities.

NOW, THEREFORE, the Council directs:

- a. The Chief of Police may execute and amend law enforcement training agreements, including contracts, easements, permits, licenses, intergovernmental agreements, grant agreements, and donation agreements, that do not obligate city funds. Portland City Council must authorize amendments to agreements that would create financial obligations on the City's behalf.
- b. All law enforcement training agreements authorized by this ordinance are subject to approval as to form by the City Attorney's Office.
