Karla Moore-Love, Clerk
Portland City Council
Portland, Oregon
January 16, 2014

Good Morning.

Thank you for your scheduling advice this morning about my signing up to provide comments to City Council during its Wednesday Morning Open Forum.

Please schedule me to address City Council in this forum in the next available time slot, that I presume is sometime in March, 2014.

During that time, I wish to thank City Council Members for their wise use of valid and reliable facts in considering the Port of Portland's application for annexation of West Hayden Island to allow marine industrial development of that urban natural wildlife habitat.

Thank you.
