

**ORDINANCE No. 186660**

Authorize Intergovernmental Agreement with Portland Public School District for \$5.2 million to review, prioritize and implement transportation safety improvements concerning District schools (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. Portland Public School District (PPS) and the City have a strong interest in ensuring safe transportation facilities for District students and Portland residents.
2. Barriers to safe transportation to and from PPS schools may require capital transportation improvements in the public right-of-way to mitigate safety hazards, and PPS and the City have a shared interest in identifying and addressing these improvements.
3. On May 13, 2011, Council directed the Bureau of Transportation to proceed with negotiating an Intergovernmental Agreement with PPS that would allow both parties to devote limited capital resources to priority school-related transportation needs across the District.
4. On November 6, 2012 voters approved a \$482 million capital bond measure to rebuild and upgrade PPS buildings, of which PPS has agreed to provide \$5.2 million to the Bureau of Transportation to identify, prioritize, and fund mutually-agreed upon transportation safety improvements.
5. PPS and the City will use the City's existing Safe Routes to School (SRTS) program to prioritize needed transportation improvements district-wide.
6. The attached Intergovernmental Agreement is the result of negotiations between the Bureau of Transportation and PPS.

NOW, THEREFORE, the Council directs:

- a. That the Mayor is authorized to execute the Intergovernmental Agreement in a form substantially in accordance with the agreement attached as Exhibit A and by reference made a part hereof.
