Good Morning:

This email memorializes request made by phone call on 2016 Sep 29 Thursday circa 13:00 U (1:00 PM PT) to reserve a slot for Citizen Communication by myself representing the Birdshill CPO / NA (Clackamas County / City of Lake Oswego) before the Portland City Council (PTCC) at its meeting, morning session, on 2016 Oct 12 Wednesday 09:30 U (9:30 AM PT)

Issue is the Terwilliger Blvd Sewer Project (TBSP), PBES project ID: E10413.

Another neighborhood, the Riverdale NA (Multnomah County / City of Portland) that abuts the Birdshill CPO / NA may schedule Citizen Communication. If possible please arrange the testimony sequence so that our two neighborhoods have consecutive communication slots on the PTCC agenda.

The TBSP as currently proposed, being configured and

scheduled to commence 2016 Nov 01 Tuesday will have dire and conjoined effects upon our communities; along with many others in the OR43 corridor.

These project effects and others yet to be exposed by “project partners” have not been adequately illuminated to many stakeholders and concerned parties along the OR43 corridor between the Hawthorne Bridge in Portland and Old Oregon City Bridge in Oregon City.

Testimony packet should be prepared and transmitted by 2016 Oct 06 Thursday.

Thanks
