188035

ORDINANCE No.

Authorize an Intergovernmental Agreement with the Oregon Department of Transportation for inspections of City-owned highway tunnels (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

- The Federal Highway Administration (FHWA) published on July 14, 2015 its Final Rule in the Code of Federal Regulations (CFR) to establish the National Tunnel Inspection Standards (NTIS). The final rule is codified in Title 23 – Highways, CFR Part 650 – Bridges, Structures, Hydraulics, Subpart E – National Tunnel Inspection Standards.
- 2. 23 CFR Part 650 Subsection 650.503 makes each State Transportation Department responsible for inspecting, reporting and load rating all highway tunnels that are located on a public road within the boundaries of the State.
- 3. The City of Portland (City), through its Bureau of Transportation (PBOT), owns and maintains four (4) tunnels that would be classified as highway tunnels located on a public road, thus, subject to the requirements of 23 CFR 650 Subpart E.
- 4. In order to ensure that the State of Oregon remains in full compliance with the NTIS criteria, the Oregon Department of Transportation (ODOT) is proposing, by means of an Intergovernmental Agreement (IGA), to perform tunnel inventory, inspection, load rating, and reporting tasks to the FHWA on behalf of the City for its four (4) highway tunnels.
- 5. The ODOT is proposing to provide the tunnel inspection and related services and deliverables to the City at no direct cost to the City.

NOW, THEREFORE, the Council directs:

a. The Commissioner-in-Charge is authorized to enter into an Intergovernmental Agreement with the Oregon Department of Transportation as outlined in a form similar to the agreement attached as Exhibit A.

Passed by the Council, OCT 1 2 2016

Commissioner Steve Novick Prepared by:Cameron Glasgow/tlck Date Prepared: September 7, 2016 Mary Hull Caballero
