Susan,

We just spoke. I am wanting to address Council on October 19th at 9:30am.

I want to address the litany of red tape and excessive fees involved with trying to offset a conditional use permit for Portland Meadows so I can produce a major jazz festival. (\$12k for an application fee, \$5,300 for a pre-application conference. \$500 for an Early Assistance meeting)

Best Regards,

***Craig Marquardo***
