The day a transient checks out of the hotel shall not be included in determining the 30-day period if the transient is not charged rent for that day by the operator. Any such individual so occupying space in a hotel shall be deemed to be a transient until the period of 30 days has expired unless there is an agreement in writing between the operator and the occupant providing for a longer period of occupancy, or the tenancy actually extends more than 30 consecutive days. In determining whether a person is a transient, uninterrupted periods of time extending both prior and subsequent to the effective date of this Chapter may be considered.

6.04.020 Tax Imposed.

For the privilege of occupancy in any hotel, each transient shall pay a tax in the amount of 6 percent of the rent charged by the operator. The tax constitutes a debt owed by the transient to the City, which is extinguished only by payment by the operator to the City. The transient shall pay the tax to the operator of the hotel at the time the rent is paid. The operator shall enter the tax on his/her records when rent is collected if the operator keeps his/her records on the cash accounting basis and when earned if the operator keeps his/her records on the accrual accounting basis. If rent is paid in installments, a proportionate share of the tax shall be paid by the transient to the operator with each installment. In all cases, the rent paid or charged for occupancy shall exclude the sale of any goods, services and commodities, other than the furnishing of rooms, accommodations, and space occupancy in mobile home parks or trailer parks.

6.04.030 Collection of Tax by Operator; Rules for Collection.

(Amended by Ordinance No. 187339, effective October 16, 2015.)

- A.** Every operator renting rooms or space for lodging or sleeping purposes in this City, the occupancy of which is not exempted under the terms of this Chapter, shall collect a tax from the transient. The tax collected or accrued by the operator constitutes a debt owing by the operator to the City.
- B.** In all cases of credit or deferred payment of rent, the payment of tax to the operator may be deferred until the rent is paid, and the operator shall not be liable for the tax until credits are paid or deferred payments are made. Adjustments may be made for uncollectibles.
- C.** The Division shall enforce provisions of this Chapter and shall have the power to adopt rules and regulations not inconsistent with this Chapter as may be necessary to aid in the enforcement. Prior to the adoption of rules and regulations, the Division shall give public notice of its intent to adopt rules and regulations, provide copies of the proposed rules and regulations to interested parties, and conduct a public hearing on the proposed rules and regulations. Public notice shall be given when rules and regulations have been finally adopted. Copies of current rules and regulations shall be made available to the public upon request. It is a violation of this Chapter to violate rules and regulations duly adopted by the Division.
- D.** For rent collected on portions of a dollar, fractions of a penny of tax shall not be remitted.

6.04.040 Operator's Duties.

(Amended by Ordinance Nos. 186985 and 187339, effective October 16, 2015.)

- A.** Each Operator shall collect the tax imposed by this Chapter at the same time as the rent is collected from every transient. The amount of tax shall be separately stated upon the operator's records, and any receipt rendered by the operator. No operator

of a hotel shall advertise that the tax or any part of the tax will be assumed or absorbed by the operator, or that it will not be added to the rent, or that, when added, any part will be refunded, except in the manner provided by this Chapter.

- B.** An Operator or Booking Agent that directly or indirectly accepts, receives or facilitates payment, including through Application Programming Interfaces (APIs) or other computerized devices where third party providers receive information about a transaction and collect funds that may or may not be transmitted to the operator, owner or other person offering a Short-Term Rental, for the transient lodging occupancy from a transient is required to collect, report and remit transient lodging taxes to the City of Portland in accordance with this Chapter.
- C.** Additionally, upon request of the Division for any regulatory or tax administration purpose, Operators, which include Booking Agents, must provide all physical addresses of transient lodging occupancy locations within Portland city limits and the related contact information, including the name and mailing address, of the general manager, agent, owner, or Host for the location. Any location and related contact information provided under this Subsection is considered confidential and is not subject to public disclosure due to personal privacy concerns.

6.04.050 Exemptions.

(Amended by Ordinance No. 162647; effective January 4, 1990.) No tax imposed under this Chapter shall be imposed upon:

- A.** Any occupant for more than 30 successive calendar days (a person who pays for lodging on a monthly basis, irrespective of the number of days in such a month, shall not be deemed a transient);
- B.** Any person who rents a private home, vacation cabin, or like facility from any owner who rents such facilities incidentally to his own use thereof, except Bed and Breakfast Homes and Inns;
- C.** Any occupant in a hospital room, medical or mental health facility, convalescent home, home for aged people, or a government owned and operated public institution.
- D.** Any person housed through an emergency shelter or disaster program where the rent is paid with government assistance funds;
- E.** Any Federal Government employee traveling on official government business, who presents an official Government Exemption Certificate or official travel authorization.

6.04.060 Registration of Operator; Form and Contents; Execution; Certification of Authority.

(Amended by Ordinance Nos. 186736 and 187339, effective October 16, 2015.)

- A.** Every person engaging or about to engage in business as an operator of a hotel in this City shall register with the Division on a form provided by the Division. Operators starting business must register within 15 calendar days after commencing business. The privilege of registration after the date of imposition of such tax shall not relieve any person from the obligation of payment or collection of tax regardless of registration. Registration shall set forth the name under which an operator transacts or intends to transact business, the location of his place of business and such other information to facilitate the collection of the tax as the Division may require. The registration shall be signed by the operator.
- B.** The Division shall, within 10 days after registration, issue without charge a certificate of authority to each registrant to collect the tax from the occupant, together with a duplicate thereof for each additional place of business of each registrant. Certificates shall be nonassignable and nontransferable and shall be surrendered immediately to the Division upon the cessation of business at the location named or upon the business sale or transfer. Each certificate and duplicate shall state the place of business to which it is applicable and shall be prominently displayed thereon so as to be seen and come to notice readily of all occupants and persons seeking occupancy.
- C.** Said certificate shall, among other things, state the following:

 - 1.** The name of the operator;
 - 2.** The address of the hotel;
 - 3.** The date upon which the certificate was issued;
 - 4.** “This Transient Occupancy Registration Certificate signifies that the person named has fulfilled the requirements of the Transient Lodgings Tax Chapter of the City of Portland for the purpose of collecting and remitting the lodgings tax. This certificate does not authorize any person to conduct any unlawful business or to conduct any lawful business in an unlawful manner, or to operate a hotel without strictly complying with all local applicable laws, including but not limited to those requiring a permit from any board, commission, department or office of the City of Portland. This certificate does not constitute a permit.”
- D.** Operators of Type A and Type B accessory short-term rentals as described in Section Chapter 33.207 must include their Type A Permit Number or Type B Conditional Use case file number, as applicable, in all advertising and other listing

services. No person shall advertise or otherwise represent that an accessory short-term rental has received approval unless that person holds a current, valid permit or Conditional Use case file. Additionally, this Permit Number or Conditional Use case file number shall be prominently displayed in the rental unit so as to be seen by all short-term occupants.

6.04.070 Due Date; Returns and Payments.

(Amended by Ordinance No. 187339, effective October 16, 2015.)

- A.** The tax imposed by this Chapter shall be paid by the transient to the operator at the time that rent is paid. All amounts of such taxes collected by any operator are due and payable to the Tax Administrator on the 15th day of the following month for the preceding 3 months; and are delinquent on the last day of the month in which they are due. If the last day of the month falls on a holiday or weekend, amounts are delinquent on the first business day that follows. The Division has authority to classify and/or district the operators for determination of applicable tax periods, and shall notify each operator of the due and delinquent dates for the operator's returns. The initial return under this Chapter may be for less than 3 months preceding the due date; thereafter returns shall be made for the applicable quarterly period.
- B.** On or before the 15th day of the month following each quarter of collection, a return for the preceding quarter's tax collections shall be filed with the Division. The return shall be filed in such form as the Division may prescribe by every operator liable for payment of tax.
- C.** Returns shall show the amount of tax collected or otherwise due for the related period. The Division may require returns to show the total rentals upon which tax was collected or otherwise due, gross receipts of operator for such period and an explanation in detail of any discrepancy between such amounts, and the amount of rents exempt, if any.
- D.** The person required to file the return shall deliver the return, together with the remittance of the amount of the tax due, to the Division at its office, either by personal delivery or by mail. If the return is mailed, the postmark shall be considered the date of delivery for determining delinquencies.
- E.** For good cause, the Division may extend for not to exceed 1 month the time for making any return or payment of tax. No further extension shall be granted, except by the Division Director. Any operator to whom an extension is granted shall pay interest at the rate of 1.25 percent per month on the amount of tax due without proration for a portion of a month. If a return is not filed, and the tax and interest due is not paid by the end of the extension granted, then the interest shall be added to the tax due for computation of penalties described elsewhere in this Chapter.

- F.** The Division, if deemed necessary in order to insure payment or facilitate collection by the City of the amount of taxes in any individual case, may require returns and payment of the amount of taxes for other than quarterly periods.

6.04.080 Penalties and Interest.

(Amended by Ordinance No. 187339, effective October 16, 2015.)

- A.** Original delinquency. Any operator who has not been granted an extension of time for remittance of tax due and who fails to remit any tax imposed by this Chapter prior to delinquency shall pay a penalty of 10 percent of the amount of the tax due in addition to the amount of the tax.
- B.** Continued delinquency. Any operator who has not been granted an extension of time for remittance of tax due, and who failed to pay any delinquent remittance on or before a period of 30 days following the date on which the remittance first became delinquent shall pay a second delinquency penalty of 15 percent of the amount of the tax due plus the amount of the 10 percent penalty first imposed.
- C.** Fraud. If the Division determines that the nonpayment of any remittance due under this Chapter is due to fraud or intent to evade the provisions thereof, a penalty of 25 percent of the amount of the tax shall be added thereto in addition to the penalties stated in paragraphs A and B of this Section.
- D.** Interest. In addition to the penalties imposed, any operator who fails to remit any tax imposed by this Chapter shall pay interest at the rate of 1 percent per month or fraction thereof without proration for portions of a month, on the amount of the tax due from the date on which the remittance first became delinquent until paid. Interest shall be compounded monthly.
- E.** Penalties and interest merged with tax. Every penalty imposed and such interest as accrues under the provisions of this Section shall be merged with and become a part of the tax herein required to be paid. If delinquency continues, requiring additional penalty and interest calculations, previously assessed penalty and interest are added to the tax due. This amount becomes the new base for calculating new penalty and interest amounts.
- F.** Petition for waiver. Any operator who fails to remit the tax herein levied within the time herein stated shall pay the penalties herein stated, provided, however, the operator may petition the Division Director for waiver and refund of the penalty or any portion thereof and the Division Director may, if a good and sufficient reason is shown, waive and direct a refund of the penalty or any portion thereof.

6.04.090 Deficiency Determination; Fraud, Evasion, Operator Delay.

(Replaced by Ordinance No. 184772; amended by Ordinance No. 187339, effective October 16, 2015.)

**TITLE 6
SPECIAL TAXES**

- A.** Deficiency determinations. If the Division determines that a return is incorrect, that required reports or returns have not been filed, or that an operator has otherwise failed to comply with the terms of the Code, it may compute and determine or estimate the amount required to be paid based on the facts contained in the return or returns or any other information reasonably within its possession. Once a deficiency determination is made, the amount is due and payable ten days after service of a deficiency notice from the Division. The Division may also determine and assess penalties and interest as set forth in Section 6.04.080.
1. In making a determination, the Division may offset overpayments, if any, which may have been previously made for a period or periods against any deficiency for a subsequent period or periods, or against penalties and interest on the deficiency.
 2. The Division shall give to the operator or transient (in the case of a refund request) a written notice of its determination. The notice may be served personally or by mail. If by mail, the notice shall be addressed to the operator at his/her address as it appears on the records of the Division or as the Division can best determine if the operator has not provided that information to the Division. In case of service by mail or any notice required by this Chapter, the service is complete at the time of deposit with the United States Post Office.
 3. Any deficiency is due and payable 10 days after the Division serves its written notice. The operator or transient (in the case of a refund request) may petition for a redetermination if the petition is filed within 10 days of service as provided in Section 6.04.100. Nothing prohibits the Division from extending the time for petition beyond 10 days at its discretion.
 4. Except as provided herein, every deficiency determination shall be made and notice mailed within 3 years after a return was originally filed or subsequently amended, whichever period expires later. In the case of the filing of a false or fraudulent return with the intent to evade this Chapter, a failure to file a required return, or willful refusal to collect and remit the tax, a deficiency determination may be made, or a proceeding for the collection of such deficiency may be commenced, at any time.
- B.** Operator delay. If the Division believes that the collection of any tax or any amount of tax required to be collected and paid to the City will be jeopardized by delay, or if any determination will be jeopardized by delay, the Division may make a determination of the tax or amount of tax required to be collected, noting the fact upon the determination. The amount so determined as herein provided shall be immediately due and payable, and the operator shall immediately pay such determination to the Division after service of notice thereof; provided, however, the operator may petition, after payment has been made, for a redetermination of the

Division's assessment, if the petition is filed within 10 days from the date of the written notice from the Division.

6.04.100 Redeterminations.

(Amended by Ordinance Nos. 184772 and 187339, effective October 16, 2015.)

- A.** Any person against whom a determination is made under Section 6.04.090 or any person directly interested may petition for a redetermination and redemption and refund within the time required in Section 6.04.090, the determination becomes final at the expiration of the allowable time.
- B.** If a petition for redetermination and refund is filed within the allowable period, the Division Director shall reconsider the determination, and, if the person has so requested in his/her petition, shall grant the person an oral hearing and shall give him/her 10 days notice of the time and place of the hearing. The Division Director may continue the hearing from time to time as may be necessary.
- C.** The Division Director may decrease or increase the amount of the determination as a result of the hearing and, if an increase is determined, such increase shall be payable immediately after the hearing.
- D.** The order or decision of the Division Director upon a petition for redetermination of redemption and refund becomes final 10 days after service upon the petitioner of notice thereof, unless appeal of such order of decision is filed with the Business License Appeals Board within the 10 days after service of such notice.
- E.** No petition for redetermination, redemption or refund or other appeal shall be accepted and no petition or appeal is effective for any purpose unless the operator has first complied with the payment provisions hereof and has paid in full the amount determined to be due by the decision appealed from.

6.04.110 Security for Collection of Tax.

(Amended by Ordinance Nos. 162647 and 187339, effective October 16, 2015.) The Division, whenever deemed necessary to insure compliance with this Chapter, may require any operator subject thereto to deposit with it such security in the form of cash, bond, or other security as the Division may determine. The amount of the security shall be fixed by the Division but shall not be greater than twice the operator's estimated average quarterly liability for the period for which he files returns, determined in such manner as the Division deems proper. The amount of the security may be increased or decreased by the Division subject to the limitation herein provided.

6.04.120 Refunds.

(Amended by Ordinance No. 187339, effective October 16, 2015.)

**TITLE 6
SPECIAL TAXES**

- A.** Refunds by City to operator. Whenever the amount of any tax, penalty, or interest has been paid more than once or has been erroneously or illegally collected or received by the Division under this Chapter, it may be refunded, provided a verified claim in writing therefor, stating the specific reason upon which the claim is founded, is filed with the Division within 3 years from the date of payment. The claim shall be made on forms provided by the Division. If the claim is approved by the Division, the excess amount collected or paid may be refunded or may be credited on any amounts then due and payable from the operator from whom it was collected or by whom paid and the balance may be refunded to such operator, his/her administrators, executors, or assignees.
- B.** Refunds by City to transient. Whenever the tax required by this Chapter has been collected by the operator, and deposited by the operator with the Division, and it is later determined that the tax was erroneously or illegally collected or received by the Division, it may be refunded by the Division to the transient, provided a verified claim in writing therefor, stating the specific reason on which the claim is founded, is filed with the Division within 3 years from the date of payment.
- C.** Refunds by operator to tenant. Whenever the tax required by this Chapter has been collected by the operator and it is later determined that the tenant occupies the hotel for a period exceeding 30 days without interruption, the operator shall refund to such tenant the tax previously collected by the operator from that tenant as transient. The operator shall account for such collection and refund to the Division. If the operator has remitted the tax prior to refund or credit to the tenant, he shall be entitled to a corresponding refund under this Section.

6.04.130 Administration.

 - 5.** For business property as to which, on or after July 1, 2001, there has been physical change that has resulted in there being a new building on the property, “value of improvements” is \$73 per square foot of improvements.
- C.** Notwithstanding Subsections A. and B. of this Section, if as of July 1 immediately preceding commencement of a license year, the Multnomah County Assessor in accord with ORS 307.340 has cancelled the property tax assessment on a business property building, structure, or addition for the property tax assessment year beginning on that July 1, then:
- 1.** For purposes of initially determining the license fee for such license year, the value of improvements, improvements square footage, and elevator

capacity attributable to the business property building, structure, or addition will be deemed to be zero; and

2. If, after that July 1 and prior to completion of such license year the City Bureau of Development Services issues an authorization to occupy the building, structure, or addition as to which the property tax assessment was cancelled, then the license fee payable for such license year will be adjusted. For purposes of adjustment, value of improvements will be measured as set out in set out in Subsection B. of this Section, improvements square footage will be measured as of the date of such authorization, and elevator capacity will be measured as of the date of such authorization. The adjusted license fee will be the amount determined under Subsection A. of this Section multiplied by a fraction, the numerator of which is the number of whole and partial months after the date of such authorization remaining in the license year and the denominator of which is twelve. For purposes of this Subsection, the date of such authorization will be the date the Bureau of Development Services issues a written authorization to occupy all new improvements on the business property or the date 180 days after the Bureau issues a written authorization to occupy some but not all new improvements on the property, whichever occurs first.

SPECIAL TAXES**

5. Plus 20.03 percent of the amounts determined under Subsections A.1. through 4. which is the inflation that occurred during license years 2001 through 2011.
6. Plus the total of the amounts determined under Subsections A.1. through 4. multiplied by the CPI-W adjustment factor, for license fee years commencing on or after October 1, 2012.

B. “Value of improvements” under this Section will be measured as follows:

1. For residential property as to which, on or after July 1, 1994, there has been no physical change resulting in an increase or decrease in square footage of the sum of improvements and land or in elevator capacity, “value of improvements” is the assessed value of improvements for the 1993-94 property tax assessment year;
2. For residential property as to which, on or after July 1, 1994 but before July 1, 1997, there has been physical change resulting in an increase or decrease in square footage of the sum of improvements and land or in elevator capacity, “value of improvements” is the assessed value of improvements for the 1996-97 property tax assessment year, discounted by 8.8 percent;
3. For residential property as to which, on or after July 1, 1997 but before July 1, 2001, there has been physical change resulting in an increase or decrease in square footage of the sum of improvements and land or in elevator capacity, “value of improvements” is:
 - a. For license years that commence before the January 1 immediately preceding the first property tax assessment year in which the assessment roll reflects the change or would reflect it were the property not assessed by the Oregon Department of Revenue, the amount determined under whichever of Subsections B.1. or 2. or C.1. otherwise would be applicable plus the cost of the physical changes as determined from the City Bureau of Development Services records of all building permits issued authorizing or in association with the physical changes, discounted by a percent equal to 8.8 percent plus an additional 2.9 percent for each year between the 1996-97 assessment year and such occupancy authorization date; or
 - b. For license years that commence after the January 1 immediately preceding the first property tax assessment year in which the assessment roll reflects the change or would reflect it were the property not assessed by the Oregon Department of Revenue, the assessed value of improvements for the first assessment year in

SPECIAL TAXES**

which the assessment roll reflects the physical change or would reflect it were the property not assessed by the Oregon Department of Revenue, discounted by a percent equal to 8.8 percent plus an additional 2.9 percent for each year between the 1996-97 assessment year and such first assessment year;

4. For residential property as to which, on or after July 1, 2001, there has been physical change resulting in an increase or decrease in square footage of the sum of improvements and land square footage or in elevator capacity, but the physical change has not resulted in there being a new building on the property, “value of improvements” is the amount determined under whichever of Subsections B.1., 2., or 3. otherwise would be applicable, multiplied by a fraction the numerator of which is the square footage of improvements after the physical change and the denominator of which is the square footage of improvements prior to the physical change. For purposes of this Subsection and Subsection B.5. of this Section, building on a property will be considered new if the cost of the physical change, as determined from the City Bureau of Development Services records of all building permits issued authorizing or in association with the physical change, is more than 50 percent of the assessed value of improvements on the property immediately prior to the physical change;
 5. For residential property as to which, on or after July 1, 2001, there has been physical change that has resulted in there being a new building on the property, “value of improvements” is \$68 per square foot of improvements.
- C. Notwithstanding Subsections A. and B. of this Section, if as of July 1 immediately preceding commencement of a license year, the Multnomah County Assessor in accord with ORS 307.340 has cancelled the property tax assessment on a residential property building, structure, or addition subject to this Section, for the property tax assessment year beginning on that July 1, then:
1. For purposes of initially determining the license fee for such license year, the value of improvements, improvement square footage, and elevator capacity attributable to the building, structure, or addition will be deemed to be zero; and
 2. If, after that July 1 and prior to completion of such license year the City Bureau of Development Services issues an authorization to occupy new residential improvements on the property, then the license fee payable for such license year will be adjusted. For purposes of adjustment, value of improvements will be measured as set out in Subsection B. of this Section, improvements square footage will be measured as of the date of such authorization, and elevator capacity will be measured as of the date of such authorization. The adjusted license fee will be the amount determined under

Subsection A. of this Section multiplied by a fraction, the numerator of which is the number of whole and partial months after the date of such authorization remaining in the license year and the denominator of which is twelve. For purposes of this Subsection, the date of such authorization will be date the Bureau of Development Services issues a written authorization to occupy all new residential improvements on the property or the date 180 days after the Bureau issues a written authorization to occupy some but not all new residential improvements on the property, whichever occurs first.

For purposes of this Subsection, low income housing is dwelling units available for rent at rates that are considered affordable, under federal affordability standards in effect on the July 1 immediately preceding commencement of the license year, to persons earning 60 percent or less of the Portland region median income as identified in the records of Metro as of that July 1. For purposes of this Subsection, subsidized housing is housing units available for rent at below market rates because either the units qualify for federal income tax benefits under Section 42 of the Internal Revenue Code; or the units are subsidized through United States Department of Housing and Community Development Section 8 subsidies or other public or private organization subsidies. The allocated portion of common area improvements will be determined by multiplying the square footage of common area improvements by a fraction, the numerator of which is the square

footage of business property improvements subject to Subsection A. of this Section or the square footage of residential property improvements subject to Subsection B. of this Section, whichever is appropriate, and the denominator of which is the square footage of all improvements on the property less the square footage of the common area improvements.

In addition, no City pledge or combination of pledges under this Section for City payment of actual debt service or to enable the qualified contractor or its designee to make payments of actual debt service, but not including pledges to provide excess coverage for City payment of actual debt service or to enable the qualified contractor or its designee to provide excess coverage for payments of actual debt service, at any time will exceed one-third of the Clean & Safe District license fee revenues.

 - d. The impact to District services.
 2. The Revenue Division will review the information from the contractor's Board of Directors and evaluate impacts to contract employee wages to ensure wages for these employees do not decrease inappropriately as a result of a lower CPI adjustment. The Revenue Division will make a recommendation to City Council if a different CPI adjustment is warranted for the upcoming license year.
 3. City Council must approve a different CPI adjustment prior to August 1st;
 4. An approved different CPI adjustment will apply to the license year that begins on October 1st.
- B.** Once one or more different CPI adjustments have been approved by City Council, the Revenue Division has authority to adjust the CPI component in the fee rate formulas in Subsections 6.06.200 A.9., and 6.06.210 A.6. The Revenue Division will document via written policy all changes to the CPI calculation as a result of City Council approval and this policy will supersede the calculation defined in Subsection 6.06.020 E.

- A.** Except as set out in Subsection B. of this Section, the fee established by this Chapter for management of business and residential property in the Lloyd District for a license year will be the sum of the following amounts, computed separately in relation to each such property within the District as to which the licensee is engaged in property management activities:

 2. Plus \$2.25 per 290 square feet of improvements as of July 1, 2010;
 3. Plus \$.015 (cents) per square foot of land as of July 1, 2010.
 4. Plus the total of the amounts determined under Subsections A.1. through A.3. multiplied by a 2.3 percent annual escalator for license years commencing on or after February 1, 2015.
- B.** In relation to business and residential property other than exempt residential property where physical changes to the property on or after July 1, 2010 have resulted in an increase or decrease in square footage of improvements, as compared to the square footage as of July 1, 2010, the fee established by this Chapter, for management of such property in the Lloyd District in a license year, will be as provided in this Subsection:
1. During the period between the date the City Bureau of Development Services issues an authorization, documentable by written documentation, to occupy the improvements, or during the period between 180 days after the date the Bureau of Development Services issues such an authorization to occupy any portion of the improvements that was not occupied while the physical changes were being made, and the date of beginning of the license year following the first property tax assessment year in which the assessment roll reflects the physical changes, the fee otherwise payable during the period will be adjusted to the following amount, prorated based on the number of days of the period in the applicable license year:

TITLE 6 SPECIAL TAXES

Development Services records of building permits issued authorizing or in association with the physical changes;

- c. Plus the amount determined under Subsection A.3.
 2. Beginning with the license year following the first property tax assessment year in which the assessment roll reflects the physical changes, the fee will be:
 - a. \$.40 (cents) per \$1,000 of assessed value of improvements for the first property tax assessment year in which the assessment roll reflects the physical changes or would reflect the changes were the property not assessed by the Oregon Department of Revenue;
 - b. Plus \$2.25 per 290 square feet of improvements, as of July 1 of the first property tax assessment year in which the assessment roll reflects the physical changes or would reflect the changes were the property not assessed by the Oregon Department of Revenue;
 - c. Plus the amount set out in Subsection A.3.;
 - d. Plus the total of the amounts determined under Subsections B.2.a. through B.2.c. multiplied by a 2.3 percent annual escalator for the license years commencing on or after February 1, 2015.

1. In relation to real property within the Lloyd District as to which a licensee is engaged in property management activities, where the property in part is exempt residential property or religious organization property or,
 2. In relation to persons generally exempt from the license requirements of this Chapter under Section 6.06.050 but where the exemption does not apply to property management activities in relation to part of the property they manage, the fee in relation to property management activities as to such real property will be the fee computed as though management of the entire property were subject to the fee multiplied by a fraction, the numerator of which is the square footage of the area in which the licensee is engaged in property management activities subject to the fee (including land or improvements, as applicable) and the denominator of which is the square footage of the entire real property parcel (including land or improvements, as applicable).

**TITLE 6
SPECIAL TAXES**

- 3.** In relation to property within the District as to which there is more than one property manager for a given property, the fee for each property manager will be calculated as follows:
- a.** Each property manager's fee will first be computed as though the property manager was subject to the fee for the entire property. That amount will then be multiplied by a fraction, the numerator of which is the square footage of the area for which the property manager is engaged in property management activities subject to the fee (including land or improvements, as applicable), and the denominator of which is the square footage of the entire real property parcel (including land or improvements, as applicable); and
 - b.** If there are common area improvements in a property subject to Subsection a. above, then in computing square footage of each property manager's improvements, such square footage will be deemed to include an allocated portion of the common area improvements. The allocated portion of common area improvements will be determined by multiplying the square footage of common area improvements by a fraction, the numerator of which is the square footage of the property improvements subject to this fee for each district manager, and the denominator of which is the square footage of all improvements on the property less the square footage of the common area improvements.
- D.** Notwithstanding the amount of the fee computed under Subsections A., B., and C., of this Section, in no case will the fee payable by a licensee, in relation to all real property within the Lloyd District as to which the licensee is engaged in property management activities, exceed \$35,000 for non-residential zoned property and \$8,500 for non-exempt residential zoned property.
- E.** The Lloyd District license requirements will not apply to exempt property. For purposes of this Section, "exempt property" means exempt property as defined in Section 6.06.020 I. and also means exempt residential property. For purposes of this Section, "exempt residential property" means a dwelling unit as defined in Chapter 33.910 of this Code that is owner-occupied and has its own separate water service; single room occupancy housing, as defined in Chapter 33.910 of this Code; low income housing; and subsidized housing. For purposes of this Subsection, low income housing is dwelling units available for rent at rates that are considered affordable, under federal affordability standards in effect on July 1, 1997, to persons earning 60 percent or less of the Portland region median income as identified in the records of Metro as of July 1 of each year. For purposes of this Subsection, subsidized housing is housing units available for rent at below market rates because either the units qualify for federal income tax benefits under Section 42 of the Internal Revenue Code, as in effect on January 1, 1997; or the units are subsidized

through United States Department of Housing and Community Development Section 8 subsidies, as in effect on January 1, 1997, or other public or private organization subsidies. Subsidized housing includes but is not limited to student housing owned by the Oregon State System of Higher Education and housing owned by non-profit organizations that is subsidized through charitable contributions and grants.

F. For purposes of this Section only, the terms "square feet of improvements" and "square footage of improvements" will not include:

1. Surface and structured parking lot area;
2. Landscaped area;
3. Unenclosed sidewalk, plaza, and courtyard area; and
4. Below grade area unless improved for occupancy by employees or tenants.

Therefore, the due dates set out in Sections 6.06.010 through 6.06.180, for purposes of the Lloyd District, will be February 15 and September 15 except that the August 1 date set out in Section 6.06.090 will be January 5. (Added by Ordinance No. 186356; amended by Ordinance No. 187339, effective October 16, 2015.)

- A.** The Lloyd District contractor's Board of Directors may recommend that the annual 2.3 percent escalator adjustment be set to an amount lower than 2.3 percent for a particular license year.
 - 1.** The Board must pass a resolution during a regular board meeting and submit the resolution, any minutes from the meeting and the results of the vote to the Revenue Division no later than October 10th. The resolution must contain the following information:
 - a.** The reason why the board is requesting the annual escalator adjustment be set at a rate that is lower than 2.3 percent;
 - b.** What the Board recommends as the appropriate escalator amount for the license year;
 - c.** The impact on the upcoming budget that will result if a lower escalator adjustment is made, specifically as it relates to contract employee wages and contract service levels; and
 - d.** The impact to District services.
 - 2.** The Revenue Division will review the information from the Lloyd District contractor's Board of Directors and evaluate impacts to contract employee wages to ensure wages for these employees do not decrease inappropriately as a result of a lower escalator adjustment. The Revenue Division will make a recommendation to City Council if a lower escalator adjustment is warranted for the upcoming license year.
 - 3.** City Council must approve a lower escalator adjustment prior to December 1st.
 - 4.** An approved lower escalator adjustment will apply to the next license year that begins on February 1st.
- B.** City Council's approval to decrease the annual escalator for any given year has no effect on future years, and the District contractor's Board must follow the process outlined in Subsection A.1. of this Section for each year it wishes to recommend a rate lower than the prescribed 2.3 percent escalator.

**TITLE 6

may be defined by Oregon Revised Statutes as they currently exist or may from time to time be amended. It does not include the mature stalks of the plant, fiber produced from the stalks, oil or cake made from the seeds of the plant, any other compound, manufacture, salt, derivative, mixture, or preparation of the mature stalks (except the resin extracted there from), fiber, oil, or cake, or the sterilized seed of the plant which is incapable of germination.

- D.** “Oregon Medical Marijuana Program” means the office within the Oregon Health Authority that administers the provisions of ORS 475.300 through 475.346, the Oregon Medical Marijuana Act, and all policies and procedures pertaining thereto.
- E.** “Person” means a natural person, joint venture, joint stock company, partnership, association, club, company, corporation, business, trust, organization, or any group or combination acting as a unit, including the United States of America, the state and any political subdivision thereof, or the manager, lessee, agent, servant, officer or employee of any of them.
- F.** “Purchase or Sale” means the retail acquisition or furnishing for consideration by any person of marijuana within the City and does not include the acquisition or furnishing of marijuana by a grower or processor to a Seller.
- G.** “Retail Sale” means the transfer of goods or services in exchange for any valuable consideration and does not include the transfer or exchange of goods or services between a grower or processor and a Seller.
- H.** “Seller” means any person who is required to be licensed or has been licensed by the state to provide, mix, handle, or serve marijuana or marijuana-infused products to purchasers for money, credit, property or other consideration.
- I.** “Tax” means either the tax payable by the Seller or the aggregate amount of taxes due from a Seller during the period for which the Seller is required to report collections under PCC 6.07.
- J.** “Taxpayer” means any person obligated to account to the Director for taxes collected or to be collected, or from whom a tax is due, under the terms of PCC 6.07.

6.07.030 Levy of Tax.

- A.** Every Seller exercising the taxable privilege of selling, mixing, handling or serving recreational marijuana and recreational marijuana-infused products as defined in PCC 6.07 is subject to and must pay a tax for exercising that privilege.
- B.** The amount of tax levied is as follows:

Ten percent of the gross sale amount paid to the Seller of recreational marijuana and recreational marijuana- infused products by persons who are purchasing recreational marijuana and recreational marijuana-infused products. This tax would not apply to sales made under the provisions of the Oregon Medical Marijuana Program.

6.07.040 Deductions.

The following deductions are allowed against sales received by the Seller providing marijuana:

- A. Refunds of sales actually returned to any purchaser;
- B. Any adjustments in sales that amount to a refund to a purchaser, providing such adjustment pertains to the actual sale of marijuana or marijuana-infused products and does not include any adjustments for other services furnished by a Seller.

6.07.050 Seller Responsible for Payment of Tax.

- A. Every Seller must, on or before the last day of the month following the end of each calendar quarter (in the months of April, July, October and January) make a return to the Director, on forms provided by the Revenue Division, specifying the total sales subject to PCC 6.07 and the amount of tax collected under PCC 6.07. The Seller may request, or the Director may establish, shorter reporting periods for any Seller if the Seller or Director deems it necessary in order to ensure collection of the tax. The Director may require further information in the return relevant to the payment of the tax. A return is not considered filed until it is actually received by the director.
- B. At the time the return is filed, the Seller must remit to the Director the full amount of the tax collected. Payments received by the Director for application against existing liabilities will be credited toward the period designated by the Taxpayer under conditions that are not prejudicial to the interest of the City. A condition considered prejudicial is the imminent expiration of the statute of limitations for a period or periods.
- C. The City will apply non-designated payments in the order of the oldest liability first, with the payment credited first toward any accrued penalty, then to interest, then to the underlying tax until the payment is exhausted. Crediting of a payment toward a specific reporting period will be first applied against any accrued penalty, then to interest, then to the underlying tax.
- D. If the Director, in his or her sole discretion, determines that an alternative order of payment application would be in the best interest of the City in a particular tax or factual situation, the Director may order such a change. The Director also may require additional information in the return relevant to payment of the liability.

When a shorter return period is required, penalties and interest will be computed according to the shorter return period. Returns and payments are due immediately upon cessation of business for any reason. Sellers must hold in trust all taxes collected pursuant to PCC 6.07 on the City's behalf until the Seller makes payment to the Director. A separate trust bank account is not required in order to comply with this provision, unless the Director determines one necessary to ensure collection of the tax.

- E.** Every Seller must keep and preserve in an accounting format established by the Director records of all sales made by the Seller and such other books or accounts as the Director may require. Every Seller must keep and preserve for a period of three years after the tax was due or paid, whichever is later, all such books, invoices and other records. The Director has the right to inspect all such records at all reasonable times.

6.07.060 Penalties and Interest.

- A.** Any Seller who fails to remit any portion of any tax imposed by PCC 6.07 within the time required must pay a penalty of 15 percent of the entire amount of the tax, in addition to the amount of the tax.
- B.** If any Seller fails to remit any delinquent remittance on or before a period of 30 days following the date on which the remittance first became delinquent, the Seller must pay a second delinquency penalty of 15 percent of the entire amount of the tax in addition to the amount of the tax and the penalty first imposed.
- C.** If the Director determines that the nonpayment of any remittance due under PCC 6.07 is due to fraud, a penalty of 25 percent of the entire amount of the tax will be added thereto in addition to the penalties stated in PCC 6.07.060 A. and PCC 6.07.060 B.
- D.** In addition to the penalties imposed, any Seller who fails to remit any tax imposed by PCC 6.07 must pay compound interest at the rate of one percent per month or fraction thereof on the amount of the tax, inclusive of penalties, from the date on which the remittance first became delinquent until paid.
- E.** Every penalty imposed, and any interest that accrues under the provisions of PCC 6.07.060, becomes a part of the tax required to be paid.
- F.** All sums collected, including penalty and interest, will be distributed to the City's general fund.
- G.** Penalties for certain late tax payments may be waived or reduced pursuant to policies and processes adopted by the Director. However, the Director is not

required to create a penalty waiver or reduction policy. If the Director does not create a policy for waivers or reductions, no waivers or reductions are allowed.

6.07.070 Failure to Report and Remit Tax – Determination of Tax by Director.

- A.** If any Seller fails to make any report of the tax required by PCC 6.07 within the time provided in PCC 6.07, the Director will proceed to obtain facts and information on which to base the estimate of tax due. As soon as the Director procures such facts and information upon which to base the assessment of any tax imposed by PCC 6.07 and payable by any Seller, the Director will determine and assess against such Seller the tax, interest and penalties provided for by PCC 6.07.
- B.** If the Director makes a determination as outlined in PCC 6.07.070 A., the Director must give notice to the Seller of the amount assessed. The notice must be personally served on the Seller or deposited in the United States mail, postage prepaid, addressed to the Seller at the last known place of address.
- C.** The Seller may appeal the determination as provided in PCC 6.07.080. If no appeal is timely filed, the Director's determination is final and the amount assessed is immediately due and payable.

6.07.080 Appeal.

- A.** Any Seller aggrieved by any decision of the Director with respect to the amount of the tax owed along with interest and penalties, if any, may appeal the decision to the Business License Appeals Board as created under PCC 7.02.295.
- B.** The Seller must file the appeal within 30 days of the City's serving or mailing of the determination of tax due. The Seller must file using forms provided by the City.
- C.** Upon receipt of the appeal form, the City will schedule a hearing to occur within 90 calendar days. The City will give the Seller notice of the time and date for the hearing no less than seven days before the hearing date. At the hearing the Business License Appeals Board will hear and consider any records and evidence presented bearing upon the Director's determination of amount due and make findings affirming, reversing or modifying the determination. The Director and the appellant may both provide written and oral testimony during the hearing. The findings of the Business License Appeal Board are final and conclusive. The City will serve the findings upon the appellant in the manner prescribed above for service of notice of hearing. Any amount found to be due is immediately due and payable upon the service of notice.

6.07.090 Credits/Refunds.

- A.** The City may credit to the Seller any tax, interest or penalty amount under any of the following circumstances:
 - 1.** The Seller has overpaid the correct amount of tax, interest or penalty; or
 - 2.** The Seller has paid more than once for the correct amount owed; or
 - 3.** The City has erroneously collected or received any tax, interest or penalties.
- B.** The City may not issue a credit under PCC 6.07.090 unless the Seller provides to the director a written claim under penalty of perjury stating the specific grounds upon which the claim is founded and on forms furnished by the director. The Seller must file the claim within one year from the date of the alleged incorrect payment to be eligible for a credit.
- C.** The Director has 30 calendar days from the date of the claim's receipt to review the claim and make a written determination as to its validity. After making the determination, the Director will notify the claimant in writing of the determination by mailing notice to the claimant at the address provided on the claim form.
- D.** If the Director determines the claim is valid, the claimant may take as credit against taxes collected and remitted the amount that was overpaid, paid more than once, or erroneously received or collected by the city.
- E.** In cases where a there is no future filing to claim the credit or other circumstances where a credit amount should be refunded, the claimant may petition the director to have the credit amount refunded to the claimant.
- F.** The City will not pay a refund unless the claimant establishes by written records the right to a refund and the Director acknowledges the claim's validity.
- G.** The Director may, upon request of the claimant or the Revenue Division, extend the deadlines to file a refund/credit claim or review a refund/credit claim by up to 60 additional days for good cause.

6.07.100 Actions to Collect.

Any tax required to be paid by any Seller under the provisions of PCC 6.07 is a debt owed by the Seller to the city. Any tax collected by a Seller that has not been paid to the City is a debt owed by the Seller to the City. Any person owing money to the City under the provisions of PCC 6.07 is liable to an action brought in the name of the City of Portland for the recovery of the amount owing. In lieu of filing an action for the recovery, the City, when taxes due are more than 30 days delinquent, may submit any outstanding tax to a collection agency. So long as the City has complied with the provisions set forth in ORS

697.105, if the City turns over a delinquent tax account to a collection agency, it may add to the amount owing an amount equal to the collection agency fees.

6.07.110 Violation Infractions.

- A.** All violations of PCC 6.07 are also subject to civil penalties of up to \$2,000 per occurrence. It is a violation of PCC 6.07 for any Seller or other person to:
 - 1.** Fail or refuse to comply as required herein;
 - 2.** Fail or refuse to furnish any return required to be made;
 - 3.** Fail or refuse to permit inspection of records;
 - 4.** Fail or refuse to furnish a supplemental return or other data required by the director;
 - 5.** Render a false or fraudulent return or claim; or
 - 6.** Fail, refuse or neglect to remit the tax to the City by the due date.
- B.** The remedies provided by PCC 6.07 are not exclusive and do not prevent the City from exercising any other remedy available under the law.
- C.** The remedies provided by this section do not prohibit or restrict the City or other appropriate prosecutor from pursuing criminal charges under state law or city ordinance.

6.07.120 Confidentiality.

Except as otherwise required by law, it is unlawful for the City, any officer, employee or agent to divulge, release or make known in any manner any financial information submitted or disclosed to the City under the terms of PCC 6.07. Nothing in PCC 6.07.120 prohibits any of the following:

- A.** The disclosure of the names and addresses of any person who is operating a licensed establishment from which marijuana is sold or provided; or
- B.** The disclosure of general statistics in a form which would not reveal an individual Seller's financial information; or
- C.** Presentation of evidence to the court, or other tribunal having jurisdiction in the prosecution of any criminal or civil claim by the Director or an appeal from the Director for amounts due the city under PCC 6.07; or
- D.** The disclosure of information to a collection agency in order to collect any delinquent tax amount; or

**TITLE 6
SPECIAL TAXES**

- E.** The disclosure of records related to a business' failure to report and remit the tax when the report or tax is in arrears for over six months or when the tax exceeds \$5,000. The Council expressly finds that the public interest in disclosure of such records clearly outweighs the interest in confidentiality under ORS 192.501(5).
- F.** The Revenue Division may also disclose and give access to information described in PCC 6.07.120 to:
 - 1.** The City Attorney, his or her assistants and employees, or other legal representatives of the City, to the extent the Revenue Division deems disclosure or access necessary for the performance of the duties of advising or representing the Revenue Division, including but not limited to instituting legal actions on unpaid accounts.
 - 2.** Other employees, agents and officials of the City, to the extent the Revenue Division deems disclosure or access necessary for such employees, agents or officials to:
 - a.** Aid in any legal collection effort on unpaid accounts,
 - b.** Perform their duties under contracts or agreements between the Revenue Division and any other department, bureau, agency or subdivision of the City relating to the administration of PCC 6.07, or
 - c.** Aid in determining whether a Revenue Division account is in compliance with all city, state and federal laws or policies.

6.07.130 Audit of Books, Records or Persons.

The City may examine or may cause to be examined by an agent or representative designated by the City for that purpose, any books, papers, records, or memoranda, including copies of Seller's state and federal income tax return, bearing upon the matter of the Seller's tax return for the purpose of determining the correctness of any tax return, or for the purpose of an estimate of taxes due. All books, invoices, accounts and other records must be made available within the city limits and be open at any time during regular business hours for examination by the director or an authorized agent of the director. If any Taxpayer refuses to voluntarily furnish any of the foregoing information when requested, the Director may immediately seek a subpoena from the court to require that the Taxpayer or a representative of the Taxpayer attend a hearing or produce any such books, accounts and records for examination.

6.07.140 Forms and Regulations.

- A.** The Director is authorized to prescribe forms and promulgate rules, policies and regulations to aid in the making of returns, the ascertainment, assessment and collection of the marijuana tax and to provide for:
- 1.** A form of report on sales and purchases to be supplied to all Sellers;
 - 2.** The records that Sellers providing, mixing, serving, or handling marijuana and marijuana-infused products must keep concerning the tax imposed by PCC 6.07.

6.07.150 Invalidity.

If any section, clause, phrase, sentence or part of this Chapter shall for any reason be adjudged unconstitutional, invalid or unenforceable, it shall only void that part, clause, phrase or section so declared and the remainder shall remain in full force and effect.
