## Planning and Sustainability Commission Hearing on: Revised Growth Scenarios Report

### Why am I receiving this notice?

You are receiving this notice because you have expressed interest in being notified of certain Bureau of Planning and Sustainability projects, you are on one of our advisory groups, or you are a member of a neighborhood or business association.

### What is this project about?

This report is part of Portland's Comprehensive Plan Update Project, and a required element of state-mandated Periodic Review. The report describes the environmental, social, economic, and energy consequences of future City development expected through the year 2035. It estimates the impact of development allowed by the proposed Comprehensive Plan Map at the amounts expected by Metro forecasts. An earlier May 2013 version of the growth scenarios report examined four alternative development patterns. This updated report analyzes the preferred growth pattern, consistent with the proposed Urban Design Framework, and implemented with the proposed Comprehensive Plan Map. The analysis is based on the "measures of success" adopted by City Council with the Portland Plan. The Growth Scenarios Report will be adopted as an official Comprehensive Plan supporting document.

### How can I review this proposal?

**Get a copy of the report.** The *Growth Scenarios Report* will be available by the time you have received this notice. You can pick up a copy at our office at 1900 SW 4th Avenue, 7th Floor. The Bureau receptionist will mail you a copy if you call 503-823-7700. The document will also be available on the Bureau of Planning and Sustainability website at [www.portlandonline.com/bps/gsr](http://www.portlandonline.com/bps/gsr).

### How can I comment on this proposal?

**Testify at the Planning and Sustainability Commission hearing.** The hearing, on June 23, 2015 at 5:00 p.m., will be on the second floor at 1900 SW Fourth Avenue (SW 4th Avenue and Hall Street). Please call 503-823-7700 a week before the hearing for the scheduled time of this agenda item.

**Write to the Planning and Sustainability Commission.** Mail written testimony to the Planning and Sustainability Commission at 1900 SW Fourth Avenue, Suite 7100, Portland, Oregon 97201, FAX comments to 503-823-7800, or email comments to [PSC@PortlandOregon.gov](mailto:PSC@PortlandOregon.gov). Written testimony must be received by the time of the hearing and must include your name and address.

### What happens next?

The Planning and Sustainability Commission will consider public comments on this proposal. They will then forward a recommendation to City Council for consideration and additional public review and comment.

## Planning and Sustainability Commission Hearing on: Revised Economic Opportunities Analysis

### Why am I receiving this notice?

You are receiving this notice because you have expressed interest in being notified of certain Bureau of Planning and Sustainability projects, you are on one of our advisory groups, you are a member of a neighborhood or business association, or you testified on the earlier version of the Economic Opportunities Analysis.

### What is this project about?

The City of Portland periodically assesses its employment needs and, in coordination with Metro, forecasts the number and type of jobs expected in the City over the next twenty years. The City then determines whether there is a sufficient land supply to accommodate the expected jobs. This and other information comprises the Economic Opportunities Analysis (EOA). In conjunction with this EOA revision the City is recognizing that some formerly vacant land has been developed or redeveloped since 2010. The revised EOA, a map of formerly vacant employment land, and a map of vacant and redevelopable employment land expected to be available between the years 2015 and 2035 will be adopted as official Comprehensive Plan supporting documents.

### How can I review this proposal?

**Get a copy of the report.** The *Revised Economic Opportunities Analysis* will be available by the time you receive this notice. You can pick up a copy at our office at 1900 SW 4th Avenue, 7th Floor. The Bureau receptionist will mail you a copy if you call 503-823-7700. The document will also be available on the Bureau of Planning and Sustainability website at [www.portlandonline.com/bps/EOA](http://www.portlandonline.com/bps/EOA).

### How can I comment on this proposal?

**Testify at the Planning and Sustainability Commission hearing.** The hearing, on April 28, 2015 at 3:00 p.m., will be on the second floor at 1900 SW Fourth Avenue (SW 4th Avenue and Hall Street). Please call 503-823-7700 a week before the hearing for the scheduled time of this agenda item.

**Write to the Planning and Sustainability Commission.** Mail written testimony to the Planning and Sustainability Commission at 1900 SW Fourth Avenue, Suite 7100, Portland, Oregon 97201, FAX comments to 503-823-7800, or email comments to [PSC@PortlandOregon.gov](mailto:PSC@PortlandOregon.gov). Written testimony must be received by the time of the hearing and must include your name and address.

### What happens next?

The Planning and Sustainability Commission will consider public comments on this proposal. They will then forward a recommendation to City Council for consideration and additional public review and comment.

# Planning and Sustainability Commission Hearings on 2035 Comprehensive Plan Update

## Why am I receiving this notice?

You are receiving this notice because you have expressed interest in learning about certain Bureau of Planning and Sustainability projects, you are on one of our advisory groups, or you are a member of a neighborhood association or a member of a business association.

## What is this project about?

The City of Portland is updating its Comprehensive Plan, a 20-year plan for the physical development of the city. The Plan has several parts: Goals and Policies, Plan Map, Citywide Systems Plan, Significant Projects List, and Transportation Systems Plan.

## How can I review the plan?

Proposed drafts of the 2035 Comprehensive Plan Goals and Policies, the Comprehensive Plan Map, and the Citywide Systems Plan are available now at Multnomah County Branch Libraries, at Neighborhood Coalition Offices and on the web at <http://www.portlandoregon.gov/bps/compplan>. You may also pick up copies at our office at 1900 SW 4th Avenue, 7th Floor. Additional materials related to the Significant Projects List and the Transportation Systems Plan will be available before October 25, 2014. All documents will be posted at <http://www.portlandoregon.gov/bps/compplan> as they become available. You may also view proposed changes to the Plan Map with the interactive Map App at [www.portlandoregon.gov/bps/mapapp](http://www.portlandoregon.gov/bps/mapapp) on any computer, tablet or smart phone. Begin by typing in a property address.

## How can I comment on the plan?

You may comment any time between now and November 4, 2014. Oral testimony is welcome at the four hearings listed on the other side of this notice. Written testimony may be mailed to: Portland Planning and Sustainability Commission, Comprehensive Plan Update, 1900 SW 4th Avenue, Suite 7100, Portland, OR 97201; or submitted electronically to: [pdxcompplan@portlandoregon.gov](mailto:pdxcompplan@portlandoregon.gov) with the words *PSC Comprehensive Plan Testimony* in the subject line. You may also use the Map App [www.portlandoregon.gov/bps/mapapp](http://www.portlandoregon.gov/bps/mapapp) to comment on the proposed draft map. For your comments to be included in the Planning and Sustainability Commission's official hearing record, you must provide your legal name and mailing address. Whether or not you provide your name and address, your comments will be considered.

## What happens next?

The Planning and Sustainability Commission will consider public comments on the Comprehensive Plan Update. After their last public hearing the Commission will forward their recommendations to the Portland City Council for possible approval and adoption. There will be more public hearings and opportunities to comment before City Council in 2015. The 2035 Comprehensive Plan update will not take effect unless and until the City Council adopts them by ordinance and the Oregon Land Conservation and Development Commission approves them by order.
