Item 1213

To: Mayor Charlie Hales  
Commissioner Amanda Fritz  
Commissioner Nick Fish  
Commissioner Steve Novick  
Commissioner Dan Saltzman

From: Winston Sandino, Bureau of Transportation

Subject: Amend Item 1213 to add emergency clause  
Council Agenda November 2, 2016

This ordinance was marked as an emergency ordinance but did not contain the emergency clause. This memorandum is a request to make the ordinance an emergency ordinance by adding an emergency clause, because postponing implementation of this ordinance would unnecessarily delay the City's ability to perform the activities authorized by the grant:

\*Authorize Intergovernmental Agreement with Oregon Department of Transportation for the Portland Bureau of Transportation to bid and oversee the construction of the NE Columbia Blvd at MLK Jr Blvd project (Ordinance)

NOW THEREFORE, the Council directs that:

- a. The Commissioner-in-Charge is hereby authorized to executive an Agreement, approved as to form by the city Attorney, with Oregon Department of Transportation for the NE Columbia Blvd at MLK Jr Blvd, in a form similar to the contract attached as Exhibit A.

Section 2. The Council declares that an emergency exists because a delay would unnecessarily delay the City's ability to perform the activities authorized by the grant; therefore, this ordinance shall be in full force and effect from and after its passage by the Council.

The remainder of the ordinance language and Exhibit A are correct.
