Subject: Confirming Nov. 16th

Dear Alex:

Thank you so much for agreeing to speak about Forest Park to City Hall on November 16th! I am cc:ing Susan Parsons, Assistant Council Clerk at the City of Portland, on this email, so you and she can communicate and settle on times, etc.

Your view about the dangers to people with disabilities if single track cycling is allowed to occur on pedestrian only trails in Forest Park is a powerful voice. And Clifton will be the star!

Thank you for your time and everything you are doing to save our wonderful Forest Park!

Warmly,

Marcy

Request of Alex Schay to address Council regarding dangers to people with disabilities if single track cycling is allowed to occur on pedestrian only trails in Forest Park (Communication)
