Karla,

Nice speaking with you. Again congrats and thank you for your service to our community.

I wish to speak in front of city council on Wednesday December 7th.

I will be proposing :

The City of Portland Oregon create a Civil Rights Bureau separate and independent of Human Resources Bureau to investigate any and all complaints of discrimination, bias or civil rights to include both internal or external complaints involving city employees, with the power to implement training, coaching or discipline up to and including termination for the most egregious violations.
