

ORDINANCE No. 188116

*Amend Intergovernmental Agreement with Oregon Department of Transportation for design of the SE Holgate & SE Ramona: 122nd to 136th Avenue Sidewalks project. (Ordinance; amend Contract No. 30002698)

The City of Portland ordains:

Section 1. The Council finds:

1. In September 2010, the Portland Bureau of Transportation received a federal Transportation Enhancement grant in the amount of \$1,487,000 for the SE Holgate & SE Ramona: 122nd to 136th Avenue Sidewalks project.
2. In December 2013, City Council approved Amendment #1 of the Intergovernmental Agreement with the Oregon Department of Transportation to construct the project as a certified project. In July 2015, City Council approved Amendment #2 to increase funds for design. In February 2016, Council approved Amendment #3 to extend some of the milestones in the schedule.
3. The purpose of Amendment #4 is to reallocate the funds distributed to Design, Right-of-Way and Construction phases to more accurately reflect project costs. Amendment #4 will also extend the project schedule one year to allow PBOT to conduct maintenance activities.
4. The Bureau's level of confidence in the cost estimates for this project is high. Construction has been completed and the project is closing. The Portland Bureau of Transportation seeks to reallocate the funds before they expire at the end of December 2016.

NOW, THEREFORE, the Council directs:

- a. The Commissioner in Charge is hereby authorized to execute an amendment to the Intergovernmental Agreement with the Oregon Department of Transportation, as approved to form by the City Attorney, for the design of the SE Holgate & SE Ramona: 122nd to 136th Avenue Sidewalks project, in a form similar to the amendment attached as Exhibit A.

Section 2. The Council declares that an emergency exists because the funds need to be reallocated before they expire in December 2016. Therefore, this ordinance shall be in full force and effect from and after its passage by the Council.
