Purpose of proposed legislation and background information:

Young Audiences of Oregon & SW Washington submitted a grant application for the FY2016-17 special appropriations grants competitive process and was selected as one of the twenty to be awarded a grant.

Young Audiences of Oregon & SW Washington is the local affiliate of the country's largest arts-in-education organization, Young Audiences. The local chapter has grown into the region's primary provider of in-school arts programs.

Kairos is a Portland Public Schools charter school dedicated to eliminating the racial achievement and opportunity gap. It is part of a larger nonprofit, KairosPDX, that serves underserved young children and families in the historically disenfranchised community of North/Northeast Portland.

Young Audiences of Oregon & SW Washington's mission is consistent with the Council desire for equity and inclusion and educated youth.

Financial and budgetary impacts:

Young Audiences of Oregon & SW Washington submitted a grant application for the FY2016-17 special appropriations grants competitive process and was selected as one of the twenty to be awarded a grant.

Community impacts and community involvement:

Young Audiences of Oregon & SW Washington's expansion of its Arts & Equity at Kairos program will provide an additional arts residency to the underserved students at KairosPDX Learning Academy, doubling the former arts residency and thereby doubling the impact and arts-learning experiences in the school year to youth with limited access to creative experiences.

Young Audiences of Oregon & SW Washington's grant program will directly benefit as many as 100 kindergarten through third-grade students at Kairos. The reach of the project will extend to family and other community members through residency-culminating community arts events.
