**Contact name:** Angie DiSalvo, PP&R Urban Forestry

**Contact phone:** 503-823-4484

**Presenter name:** Gregg Everhart, Urban Forestry Commission

**Purpose of proposed legislation and background information:**

To complete the annual Heritage Tree nomination process for trees worthy of recognition in the City, and to delist trees that have died or been removed.

**Financial and budgetary impacts:**

- No impact on current or future budgets.

**Community impacts and community involvement:**

Heritage Tree nominations come from members of the public. They are vetted by a committee of the Urban Forestry Commission that includes UFC members, members of the public, and City staff. It is a goal of the committee to have Heritage Trees equitably distributed throughout the City. Nominated trees are considered and recommended to City Council by the Urban Forestry Commission. Property owners of privately owned trees have given consent to the Heritage Tree designation. If the nominated tree overhangs into adjacent lots, those property owners have been notified and given an opportunity to comment on the pending status.
