Hi Meghaan,

I would like to request one of the five 3-minute slots you've set aside for Open Signal on the City Council communications agenda on February 22, 2017.

Open Signal is a media arts center reintroducing ourselves to the community and I want to share with the Council some of Open Signal's priorities for 2017. I will also invite the Council to our community Open House on Saturday, February 25.

Thank you, and please let me know if you need anything else from me on this. We will have three more members of our team get in touch with you today to reserve the slots.

Best,

Rebecca Burrell
