

IMPACT STATEMENT

Legislation title: Portland Streetcar Annual Report for 2016 (Report)

Contact name: Kathryn Levine, Division Manager
Contact phone: 503-823-7085
Presenter name: Jim Mark, Board Chair, PSI, Dan Bower, Executive Director, PSI,
Kathryn Levine, PBOT

Purpose of proposed legislation and background information: The purpose of the report is to provide Council members with an update on Portland Streetcar performance, transit service, ridership, economic development and housing. Attached, please find the 2016 Annual Report, which includes performance metrics from the five-year Portland Streetcar Strategic Plan.

Financial and budgetary impacts: This report does not create a financial action.

Community impacts and community involvement: Community involvement has been a defining feature of Portland Streetcar development and operation. In 1990, the City established the Central City Streetcar Citizen Advisory Committee (CAC), which became the Portland Streetcar CAC. Enthusiasm and support for this community-oriented transit service has remained strong. The CAC has reviewed this Annual Report.

This Annual Report will be published in hard copy as well as electronically on the Portland Streetcar website.
