

# PARKS REPLACEMENT BOND

CITY COUNCIL - Wednesday, February 22

**Commissioner Amanda Fritz | Director Mike Abbaté**

**PORTLAND  
PARKS & RECREATION**  
Healthy Parks, Healthy Portland

Over the last century, Portlanders created and have maintained our parks system through a series of capital investments (bonds and levies).

A photograph of a park playground. In the foreground, there is a black metal fence. Behind the fence is a playground with a wooden chip surface. The playground equipment includes a tall silver structure with a slide and a circular platform. In the background, there are large, leafy trees and a parking lot with several cars. A blue text box is overlaid on the right side of the image.

2014 Parks  
Replacement Bond  
provides \$68 million  
for repairs and  
replacements across  
the system.  
(74% yes vote)

# SEVEN FOCUS AREAS

Identified as urgent priorities by Parks bureau

In the background, a playground with yellow and blue equipment is visible. The scene is outdoors with trees and foliage in the distance. An orange banner is overlaid on the top left, and a dark grey text box is in the center-left.
