NOTICE OF A PROPOSED COMPREHENSIVE PLAN MAP CHANGE THAT MAY AFFECT THE PERMISSIBLE USES OF YOUR PROPERTY AND OTHER PROPERTIES

What does this mean for me?

Last summer the Planning and Sustainability Commission (PSC) recommended a new Comprehensive Plan, a 20-year plan for the development of the city, to City Council. The Comprehensive Plan and Zoning Map depict how land can be used and developed over time. Both maps show broad categories of uses, such as residential, mixed use, industrial, employment and open space. They also convey information about the scale of future development (the type and size of buildings). State law requires periodic plan updates. The city is completing Portland's Comprehensive Plan as a part of the state's periodic review.

Portland's City Council held public hearings on the Recommended Plan in November and December 2015 and January 2016. Council is now considering amendments to the Recommended Plan in response to the public comments they received.

You are receiving this notice because City Council is considering an amendment to the land use map which, if adopted, may affect the permissible uses of your property as well as other properties with the same map designation. These changes, in turn, may affect the value of your property.

One of the properties that may be affected is your property at:	<TAX LOT STREET ADDRESS>
State ID #:	<STATE ID NUMBER>
The current Comprehensive Plan designation(s) for this property is (are):	<TAX LOT CURRENT DESIGNATION>
The recommended Comprehensive Plan designation(s) for this property was (were):	<TAX LOT PROPOSED DESIGNATION>
City Council is now considering this (these) Comprehensive Plan designation(s):	<TAX LOT AMENDED DESIGNATION>

This may be the second or third notice you have received about this same property. One notice was mailed more than a year ago when the PSC began its hearings. Another notice announced the Portland City Council hearings and deliberations in late 2015. Council is now concluding its deliberations and, following the hearings listed below, plans to make a final decision. **There is no guarantee that Council's final decision will be the proposal described in this notice.**

Comprehensive Plan map designation changes will not take effect until the City Council adopts them by ordinance and the Oregon Land Conservation and Development Commission approves them by order.

How can I learn more about this proposed amendment?

- 1. View the interactive Map App** at www.portlandmaps.com/bps/mapapp on any computer, tablet or smart phone and click on the **Land Use tab**. All Multnomah County libraries have public access computers. Type the property address to see proposed Comprehensive Plan Map designations (and zoning changes, if proposed) that may affect your property.
- 2. Ask City staff a question.** We are happy to help. Call 503-823-0195 or email us at pdxcompplan@portlandoregon.gov.

How can I provide feedback to City Council?

You may testify about proposed amendments to the Portland City Council in the following ways:

Testify in person at a City Council public hearing.

You may speak for two minutes to the Council, and your testimony will be added to the public record.

Notice #	Group	Who receives this? (subcategory IDs)	Notice text: “What does this mean for me?”
T4-1	Mixed Use – property is already mixed use	7, 9, 10	The Recommended Draft Comprehensive Plan applies new Commercial/Mixed Use designations to allow opportunities for shops, restaurants, offices and homes in locations that promote convenience, walkability and access to services. The new designation(s) proposed for this property is (are) similar to what applies today. Rules for building size and design will be updated through the Mixed Use Zones Project (www.portlandoregon.gov/bps/mixeduse).
T4-2	Mixed Use – not designated for mixed use today (incl. NCUs & split zone fixes)	34, 13, 18, 35, 45	The Recommended Draft Comprehensive Plan applies new Commercial/Mixed Use designations to allow opportunities for shops, restaurants, offices and homes in locations that promote convenience, walkability and access to services. The new designation(s) proposed for this property is (are) different than your current designation. In some instances the mixed use designation is being applied to address a split zoning or nonconforming situation. Rules for building size and design will be updated through the Mixed Use Zones Project (www.portlandoregon.gov/bps/mixeduse).
T4-3	Jobs (all employment, industrial and Institutional Campus designations)	44, 3, 1, 2, 46	The Recommended Draft Comprehensive Plan applies new Employment, Industrial or Institutional Campus designations to support job growth. Zoning code and map changes that correspond to some but not all of these designations are being considered through the Campus Institutional Zoning Project (www.portlandoregon.gov/bps/institution) and the Employment Zoning Project (www.portlandoregon.gov/bps/employmentzoning).
T4-4	Risks and service gaps (residential down-designations)	25, 20	The Recommended Draft Comprehensive Plan proposes changes to residential designations to help protect public health and safety, avoid increasing natural hazard risks, and acknowledge limited infrastructure or services.
T4-5	Residential adjustments - miscellaneous	15, 14, 669, 12, 38, 27, 667, 668, 16, 43, 17, 701, 702, 703	The Recommended Draft Comprehensive Plan proposes changes to residential designations to address a number of situations, including better matching the designation to what is now built, recognizing nonconforming situations, and acknowledging proximity to services and transit.
T4-6	Open Space	11	The Recommended Draft Comprehensive Plan proposes the Open Space designation to match the existing or intended use on properties owned by the City of Portland and Metro.
T4-7	Urban Service Boundary changes	31	The Planning and Sustainability Commission recommendation includes City Comprehensive Plan designations on land that is not yet within the current city limits, but is within Portland’s Urban Services Boundary. Your property is within such an area. Urban service areas are eligible to become part of the City in the future. Annexation is typically initiated by a property owner, often in order to access City provided services. The City is not proposing to annex your property at this time. However, the recommended Comprehensive Plan designation may affect how your property can be developed or redeveloped, should you choose to request annexation in the future.
T4-8	Central City SEQ EX	703 704	The recommended Central Employment (EX) designation reflects input from the Central City 2035 Plan (Southeast Quadrant Plan). This area is already zoned for employment uses. The new designation responds to community interest in allowing high density development around new light rail stations. Housing would be allowed outright at the Clinton Station, and permitted as a Conditional use on some properties at the OMSI Station.

Notes:

1. Subcategory #12 was used for records that fix split zone situations with either new residential or open space designations. All of these will get a notice referring to residential changes, which isn't going to apply to the open space examples, but I'm not worried about it – these will be going to Metro and the City so not a big deal.
2. I don't believe there is a #701

NOTICE OF A PROPOSED COMPREHENSIVE PLAN MAP CHANGE THAT MAY AFFECT THE PERMISSIBLE USES OF YOUR PROPERTY AND OTHER PROPERTIES

What does this mean for me?

You received this notice because the Portland Planning and Sustainability Commission has recommended a new Comprehensive Plan Map designation for your property. If adopted, this new designation may affect permissible uses of your property as well as other properties with the same map designation. These changes may affect the value of your property.

One of the properties that may be affected is your property at: <TAX LOT STREET ADDRESS>

State ID #: <STATE ID NUMBER>

The current Comprehensive Plan designation(s) for this property is (are): <TAX LOT CURRENT DESIGNATION>

The proposed Comprehensive Plan designation(s) for this property is (are): <TAX LOT PROPOSED DESIGNATION>

The Recommended Draft Comprehensive Plan applies new Commercial/Mixed Use designations to allow opportunities for shops, restaurants, offices and homes in locations that promote convenience, walkability and access to services. **The new designation(s) proposed for this property is (are) generally similar to what applies today.** Rules for building size and design will be updated through the Mixed Use Zones Project (www.portlandoregon.gov/bps/mixeduse).

You may have received a letter or notice last year about Planning and Sustainability Commission hearings on the proposed Comprehensive Plan. This new notice is to let you know that the Portland City Council will now consider adopting the Commission-recommended plan.

This is your final notice about Comprehensive Plan Map changes.

Comprehensive Plan and Zoning map changes will not take effect until the City Council adopts them by ordinance and the Oregon Land Conservation and Development Commission approves them by order.

Why are these changes proposed?

The Portland Planning and Sustainability Commission (PSC) has recommended a new Comprehensive Plan, a 20-year plan for the development of the city. The Comprehensive Plan Map and Zoning Map depict how land can be used and developed over time. Both maps show broad categories of uses, such as residential, mixed use, industrial, employment, and open space, and convey information about the scale of future development (the type and size of buildings).

How can I learn more about this proposal?

1. **View the interactive Map App** at www.portlandmaps.com/bps/mapapp on any computer, tablet or smart phone and click on the **Land Use tab**. All Multnomah County libraries have public access computers. Type the property address to see proposed Comprehensive Plan Map designations (and zoning changes, if proposed) that may affect your property.
2. **Attend an information session** (brief presentation and Q&A) or **drop in to chat with City staff at a location near you** (staff will answer your questions one-on-one).
 - **Information sessions and drop-in hours:** Check online at www.portlandoregon.gov/bps/58191 or call 503-823-0195 for a schedule.
3. **Ask City staff a question.** We are happy to help. Call 503-823-0195 or email us at pdxcompplan@portlandoregon.gov.

How can I provide feedback to City Council?

You may testify about proposed changes to the Portland City Council in the following ways:

Testify in person at a City Council public hearing.

You may speak for 3 minutes to the Council, and your testimony will be added to the public record.

Testify in writing.

Please provide your full name and mailing address.
