NOTICE OF A PROPOSED COMPREHENSIVE PLAN MAP CHANGE THAT MAY AFFECT THE PERMISSIBLE USES OF YOUR PROPERTY AND OTHER PROPERTIES

What does this mean for me?

You received this notice because the Portland Planning and Sustainability Commission has recommended a new Comprehensive Plan Map designation for your property. If adopted, this new designation may affect permissible uses of your property as well as other properties with the same map designation. These changes may affect the value of your property.

One of the properties that may be affected is your property at: <TAX LOT STREET ADDRESS>

State ID #: <STATE ID NUMBER>

The current Comprehensive Plan designation(s) for this property is (are): <TAX LOT CURRENT DESIGNATION>

The proposed Comprehensive Plan designation(s) for this property is (are): <TAX LOT PROPOSED DESIGNATION>

The Recommended Draft Comprehensive Plan proposes the Open Space designation to match the existing or intended use on properties owned by the City of Portland and Metro.

You may have received a letter or notice last year about Planning and Sustainability Commission hearings on the proposed Comprehensive Plan. This new notice is to let you know that the Portland City Council will now consider adopting the Commission-recommended plan.

This is your final notice about Comprehensive Plan Map changes.

Comprehensive Plan and Zoning map changes will not take effect until the City Council adopts them by ordinance and the Oregon Land Conservation and Development Commission approves them by order.

Why are these changes proposed?

The Portland Planning and Sustainability Commission (PSC) has recommended a new Comprehensive Plan, a 20-year plan for the development of the city. The Comprehensive Plan Map and Zoning Map depict how land can be used and developed over time. Both maps show broad categories of uses, such as residential, mixed use, industrial, employment, and open space, and convey information about the scale of future development (the type and size of buildings).

How can I learn more about this proposal?

1. **View the interactive Map App** at www.portlandmaps.com/bps/mapapp on any computer, tablet or smart phone and click on the **Land Use tab**. All Multnomah County libraries have public access computers. Type the property address to see proposed Comprehensive Plan Map designations (and zoning changes, if proposed) that may affect your property.
2. **Attend an information session** (brief presentation and Q&A) or **drop in to chat with City staff at a location near you** (staff will answer your questions one-on-one).
 - **Information sessions and drop-in hours:** Check online at www.portlandoregon.gov/bps/58191 or call 503-823-0195 for a schedule.
3. **Ask City staff a question.** We are happy to help. Call 503-823-0195 or email us at pdxcampplan@portlandoregon.gov.

How can I provide feedback to City Council?

You may testify about proposed changes to the Portland City Council in the following ways:

Testify in person at a City Council public hearing.

You may speak for 3 minutes to the Council, and your testimony will be added to the public record.

NOTICE OF A PROPOSED COMPREHENSIVE PLAN MAP CHANGE THAT MAY AFFECT THE PERMISSIBLE USES OF YOUR PROPERTY AND OTHER PROPERTIES

What does this mean for me?

You received this notice because the Portland Planning and Sustainability Commission has recommended a new Comprehensive Plan Map designation for your property. If adopted, this new designation may affect permissible uses of your property as well as other properties with the same map designation. These changes may affect the value of your property.

One of the properties that may be affected is your property at: <TAX LOT STREET ADDRESS>

State ID #: <STATE ID NUMBER>

The current Comprehensive Plan designation(s) for this property is (are): <TAX LOT CURRENT DESIGNATION>

The proposed Comprehensive Plan designation(s) for this property is (are): <TAX LOT PROPOSED DESIGNATION>

The Planning and Sustainability Commission recommendation includes City Comprehensive Plan designations on land that is not yet within the current city limits — but is within Portland's Urban Services Boundary. Your property is within such an area. Urban service areas are eligible to become part of the city in the future. Annexation is typically initiated by a property owner, often in order to access City-provided services. **The City is not proposing to annex your property at this time.** However, the recommended Comprehensive Plan designation may affect how your property can be developed or redeveloped, should you choose to request annexation in the future.

You may have received a letter or notice last year about Planning and Sustainability Commission hearings on the proposed Comprehensive Plan. This new notice is to let you know that the Portland City Council will now consider adopting the Commission-recommended plan.

This is your final notice about Comprehensive Plan Map changes.

Comprehensive Plan and Zoning map changes will not take effect until the City Council adopts them by ordinance and the Oregon Land Conservation and Development Commission approves them by order.

Why are these changes proposed?

The Portland Planning and Sustainability Commission (PSC) has recommended a new Comprehensive Plan, a 20-year plan for the development of the city. The Comprehensive Plan Map and Zoning Map depict how land can be used and developed over time. Both maps show broad categories of uses, such as residential, mixed use, industrial, employment, and open space, and convey information about the scale of future development (the type and size of buildings).

How can I learn more about this proposal?

1. **View the interactive Map App** at www.portlandmaps.com/bps/mapapp on any computer, tablet or smart phone and click on the **Land Use tab**. All Multnomah County libraries have public access computers. Type the property address to see proposed Comprehensive Plan Map designations (and zoning changes, if proposed) that may affect your property.
2. **Attend an information session** (brief presentation and Q&A) or **drop in to chat with City staff at a location near you** (staff will answer your questions one-on-one).
 - **Information sessions and drop-in hours:** Check online at www.portlandoregon.gov/bps/58191 or call 503-823-0195 for a schedule.
3. **Ask City staff a question.** We are happy to help. Call 503-823-0195 or email us at pdxcompplan@portlandoregon.gov.

How can I provide feedback to City Council?

You may testify about proposed changes to the Portland City Council in the following ways:

Testify in person at a City Council public hearing.

You may speak for 3 minutes to the Council, and your testimony will be added to the public record.

NOTICE OF A PROPOSED COMPREHENSIVE PLAN MAP CHANGE THAT MAY AFFECT THE PERMISSIBLE USES OF YOUR PROPERTY AND OTHER PROPERTIES

What does this mean for me?

You received this notice because the Portland Planning and Sustainability Commission has recommended a new Comprehensive Plan Map designation for your property. If adopted, this new designation may affect permissible uses of your property as well as other properties with the same map designation. These changes may affect the value of your property.

One of the properties that may be affected is your property at: <TAX LOT STREET ADDRESS>

State ID #: <STATE ID NUMBER>

The current Comprehensive Plan designation(s) for this property is (are): <TAX LOT CURRENT DESIGNATION>

The proposed Comprehensive Plan designation(s) for this property is (are): <TAX LOT PROPOSED DESIGNATION>

The recommended Central Employment (EX) designation reflects input from the Central City 2035 Plan (Southeast Quadrant Plan). This area is already zoned for employment uses. The new designation responds to community interest in allowing high-density development around new light rail stations. Housing would be allowed outright at the Clinton Station and permitted as a Conditional Use on some properties at the OMSI Station.

You may have received a letter or notice last year about Planning and Sustainability Commission hearings on the proposed Comprehensive Plan. This new notice is to let you know that the Portland City Council will now consider adopting the Commission-recommended plan.

This is your final notice about Comprehensive Plan Map changes.

Comprehensive Plan and Zoning map changes will not take effect until the City Council adopts them by ordinance and the Oregon Land Conservation and Development Commission approves them by order.

Why are these changes proposed?

The Portland Planning and Sustainability Commission (PSC) has recommended a new Comprehensive Plan, a 20-year plan for the development of the city. The Comprehensive Plan Map and Zoning Map depict how land can be used and developed over time. Both maps show broad categories of uses, such as residential, mixed use, industrial, employment, and open space, and convey information about the scale of future development (the type and size of buildings).

How can I learn more about this proposal?

1. **View the interactive Map App** at www.portlandmaps.com/bps/mapapp on any computer, tablet or smart phone and click on the **Land Use tab**. All Multnomah County libraries have public access computers. Type the property address to see proposed Comprehensive Plan Map designations (and zoning changes, if proposed) that may affect your property.
2. **Attend an information session** (brief presentation and Q&A) or **drop in to chat with City staff at a location near you** (staff will answer your questions one-on-one).
 - **Information sessions and drop-in hours:** Check online at www.portlandoregon.gov/bps/58191 or call 503-823-0195 for a schedule.
3. **Ask City staff a question.** We are happy to help. Call 503-823-0195 or email us at pdxcmapplan@portlandoregon.gov.

How can I provide feedback to City Council?

You may testify about proposed changes to the Portland City Council in the following ways:

Testify in person at a City Council public hearing.

You may speak for 3 minutes to the Council, and your testimony will be added to the public record.

Testify in writing.

Please provide your full name and mailing address.
