> Dear Ms. Parsons-

>

> I understand there are four speaking spots at the 9:30am Communications portion of the City Council meeting on April 19, 2017 remaining. On behalf of College Possible Portland I would like to request one of the spots that morning to provide an update on our program expansion and results in Portland. I will have three colleagues with me as well, but understand they need to request spots separately to speak with me. Let me know if you need anything else from me, and thanks so much for considering my request.
