

## ORDINANCE No. 188328

Authorize a purchase order with Pierce Manufacturing, Inc. for the purchase of three emergency response apparatus for a total not-to-exceed amount of \$2,000,000. (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. Portland Fire & Rescue (PF&R) requires three emergency response vehicles, specifically a heavy rescue squad, a foam unit, and a pumper, to replace existing aging apparatus.
2. The estimated cost for this purchase of three fire apparatus is \$2,000,000.
3. The General Obligation Bond passed in 2010 for the replacement of emergency response vehicles, along with PF&R's 2016-2017 capital fund for apparatus replacement, provides the entire funding for this purchase.
4. City of Portland Code 5.33.170 authorizes the City to participate in Interstate Cooperative Procurements for the acquisition of goods or services when source selection methods have been conducted substantially equivalent to those identified by City Code.
5. The Houston-Galveston Area Council (HGAC) has conducted such a solicitation for emergency response apparatus and the resulting contract with Pierce Manufacturing, Inc. allows such participation by other governmental entities.
6. Portland Fire & Rescue seeks Council's authorization to purchase three fire apparatus through the HGAC contract for the not-to-exceed amount of \$2,000,000 by adoption of this ordinance.

NOW, THEREFORE, the Council directs:

- a. The Chief Procurement Officer is authorized to enter into a purchase order with Pierce Manufacturing, Inc. on behalf of the City for the purposes identified in Section 1.
