**FROM:** Dan Saltzman, Commissioner of Public Affairs *Don*  
**RE:** **Initiation of Local Improvement Proceedings for N. Suttle Rd. LID**

Mr. Aebi,

I understand that you have been in contact with internal and external stakeholders since June 2003 to explore the possibility of street, sidewalk and stormwater infrastructure improvements to North Suttle Road west of North Portland Road. The Portland Bureau of Transportation, the Bureau of Environmental Services, and area stakeholders have all been engaged in a collaborative dialogue on how to best resolve transportation and stormwater-related problems in this area for nearly 14 years.

Therefore, I request that you initiate local improvement district formation proceedings to expedite the resolution of these issues.

I anticipate for the resolution to come before Council on May 10, 2017. Please contact me with any concerns.

Sincerely,

Commissioner Dan Saltzman  
City of Portland, Oregon
