

Ordinance No. 188369

Amend Intergovernmental Agreement with Metro to accept an additional \$80,000 for administration of the City Master Recycler Program in FY 2017-19 (Ordinance; amend Contract No. 30003529)

The City of Portland ordains:

Section 1. The Council finds:

1. Metro has notified the City of Portland that it will extend the award of a two-year grant of \$80,000 (\$40,000 each fiscal year) for the Bureau of Planning and Sustainability to continue to implement the Master Recycler Program for FY's 2017/18 & 2018/19.
2. Since 2003, Metro has provided the City annual and then biannual grants to administer the Master Recycler Program, which provides an eight-week training course for adults on the solid waste and recycling system. Participants pay back their training by educating others in the community -either by doing special projects or interacting with the public at events, thereby multiplying the program's efforts.
3. By Resolution 36423 on June 28, 2006, Portland City Council adopted new goals for a sustainable solid waste and recycling system to:
 - Promote sustainability of the solid waste and recycling system that includes maximum efficiency, equity and economic vitality, improved worker safety and reduced environmental and human health impacts over the entire life cycle of the materials, and
 - Minimize the impact of harmful wastes by targeting toxicity and reducing greenhouse gases emissions, and
 - Reduce per capita waste generation below 2005 levels by the year 2015, and
 - Maximize recovery of all waste with a target of 75%o by the year 2015 and promote highest value use of recovered materials.
4. The City's Master Recycler program continues to provide education and outreach to increase public awareness and inspire activities that lead to improved recycling rates in the city. During FY 2015-2017, 164 people completed the Master Recycler Program training and Master Recycler volunteers contributed over 7000 hours of waste reduction education and outreach in the Portland Metro area.
5. Local match in the amount of \$40,000 per year will be provided by the Solid Waste Management Fund in the FY 2017-2018 and FY 2018-2019 Bureau of Planning and Sustainability budget, Cost Center PNSD000004. The match will be in the form of salary, benefits, and materials and services.

NOW THEREFORE, The Council directs:

- a. The Mayor is hereby authorized to accept on behalf of the City of Portland a grant in the amount of \$80,000 from Metro for the two-year implementation of the Master Recycler Program from June 30, 2017 to June 30, 2019 and to execute an agreement with Metro, Amendment No. 2, substantially similar to Exhibit A.
- b. The Bureau of Planning and Sustainability FY 2016-17 budget is not amended. The funding for FY 2017-18 is included in the Bureau of Planning and Sustainability FY 2017-18 Requested Budget. The Office of Management & Finance Grants Office is authorized to perform all administrative matters in relation to the grant application, grant agreement or amendments, requests for reimbursement from the grantor, and to submit required online grant documents on the Mayor's behalf.
- c. The Director of Bureau of Planning and Sustainability of the City of Portland is authorized to accept on behalf of the City of Portland any subsequent modifications for the Master Recycler Program grant, provided such modifications do not increase the City of Portland's financial obligation or risk. Any modifications that increase the City of Portland's financial obligation or risk must be authorized by ordinance adopted by the Portland City Council.
